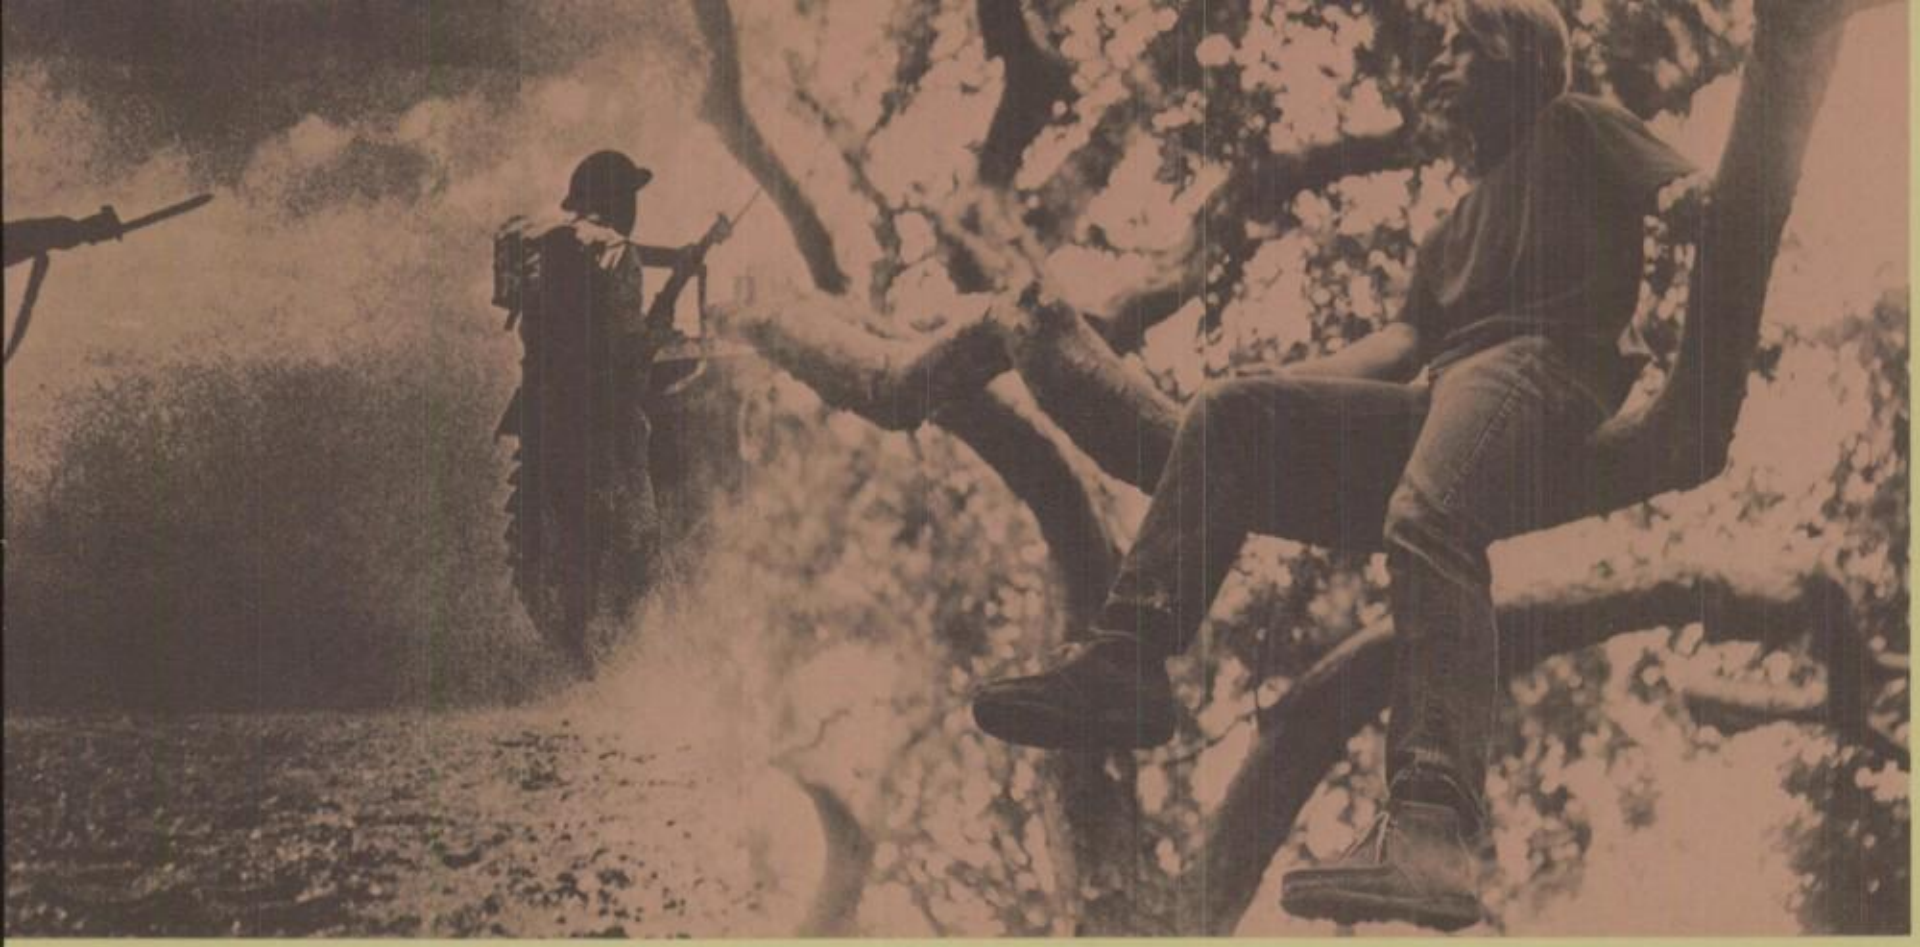
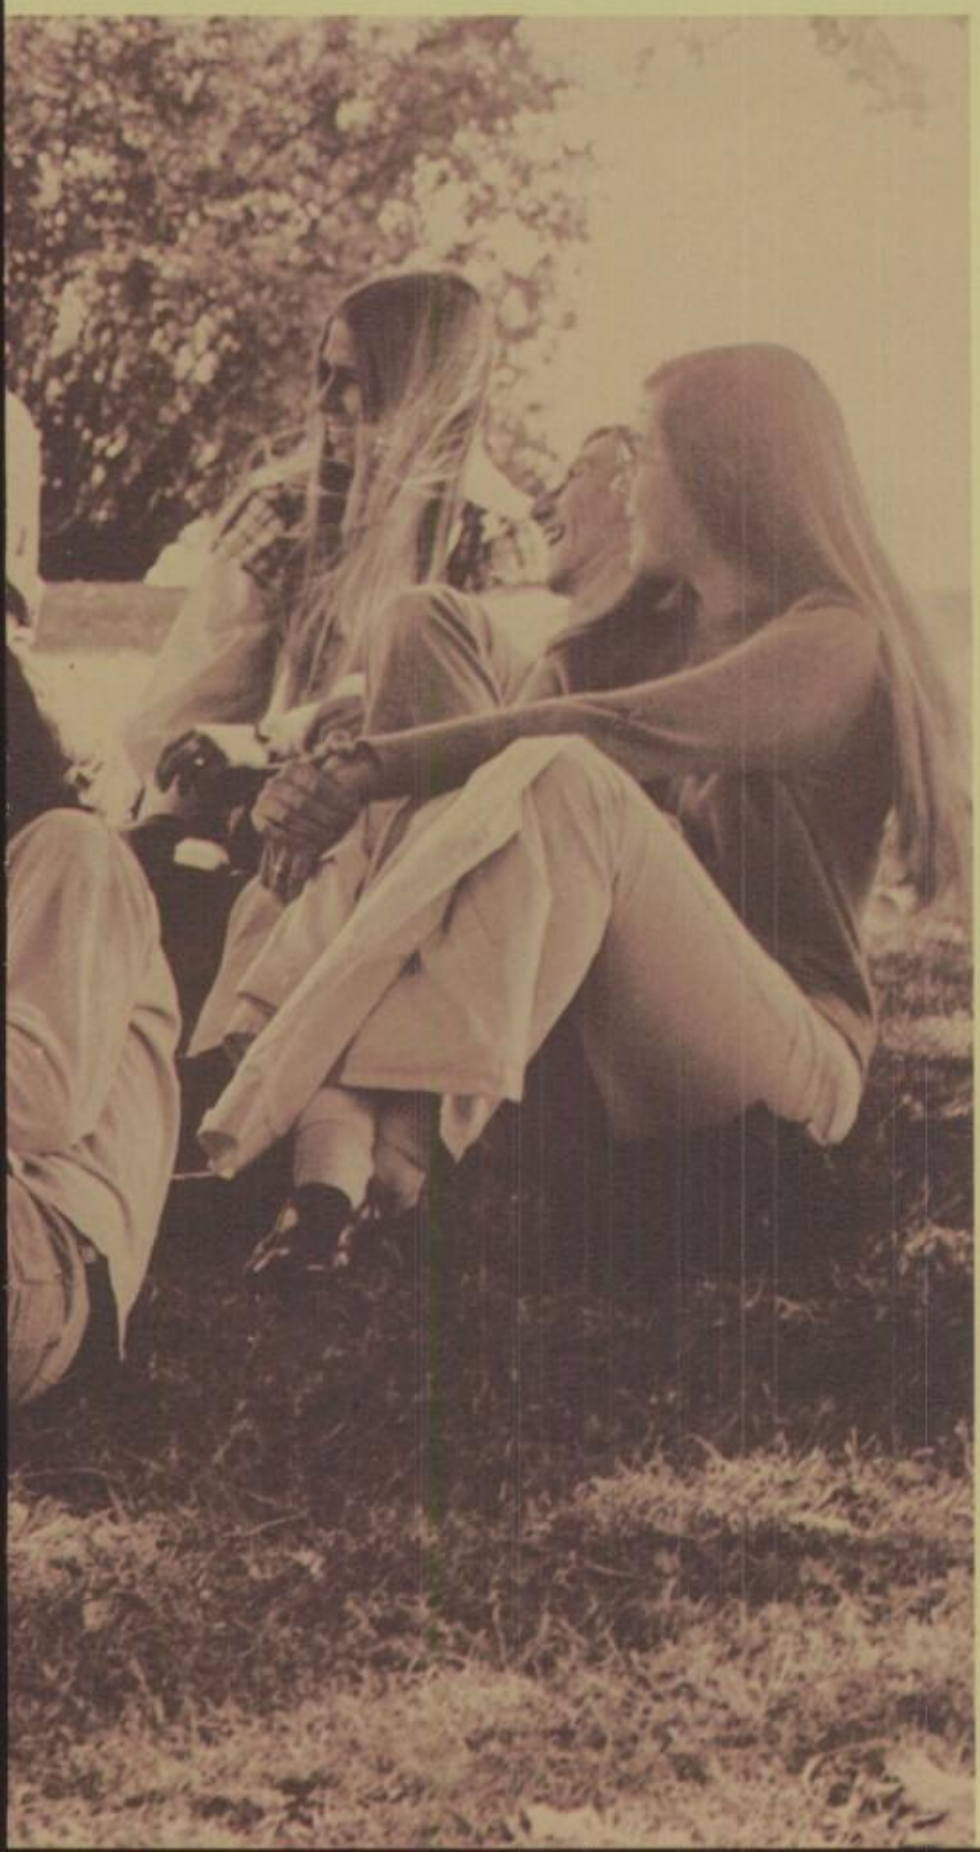
The wave of the future approaches.

And with it comes
the optimism
and idealism that is youth.

The wave is the harbinger of the cultural revolution culminating in the establishment of a new society.





Based on friendship and coexisting in harmony with nature.

We starve, look

at one another short of breath,

walking proudly

in our winter coats,

wearing smells from lab'ratories,

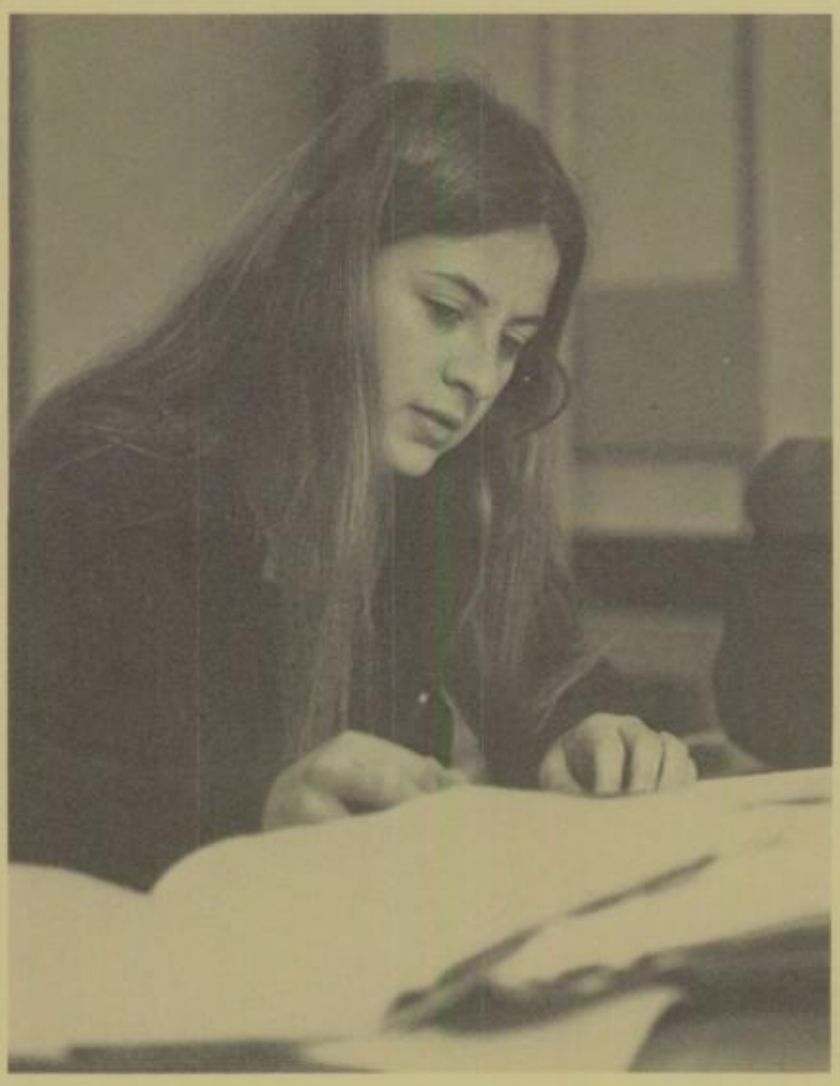
facing a dying nation

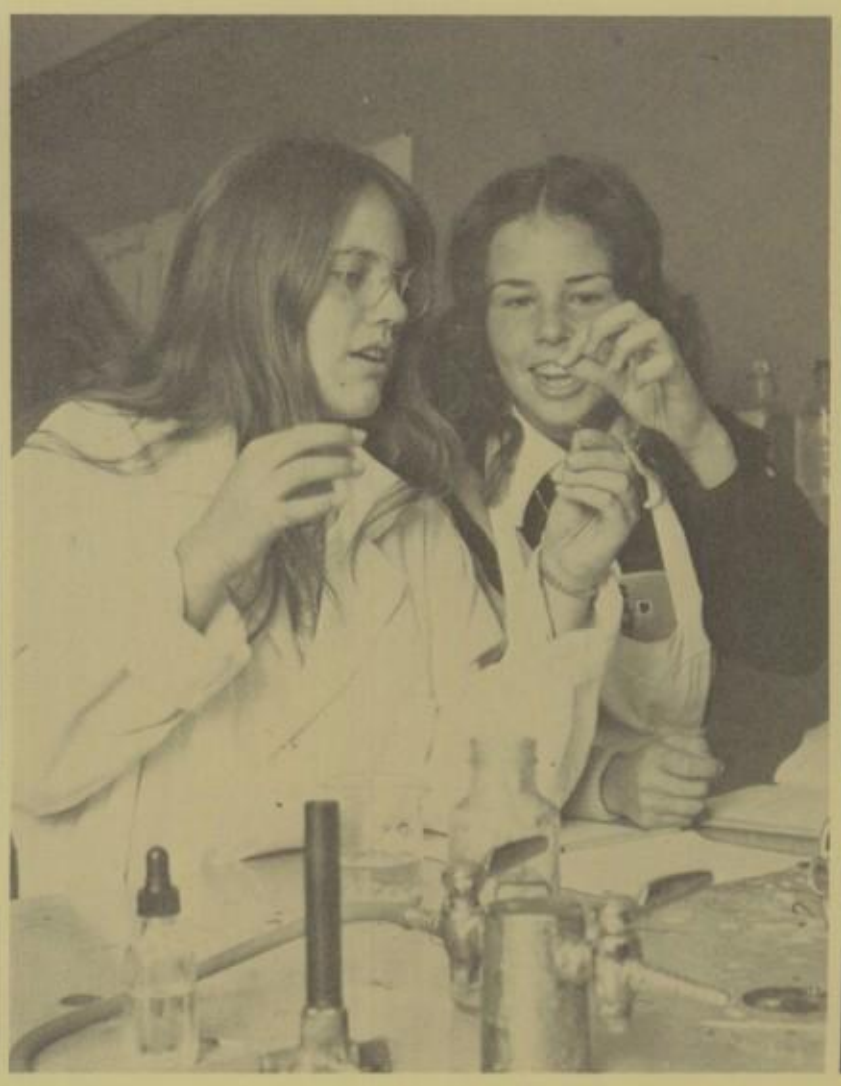
of moving paper fantasy,

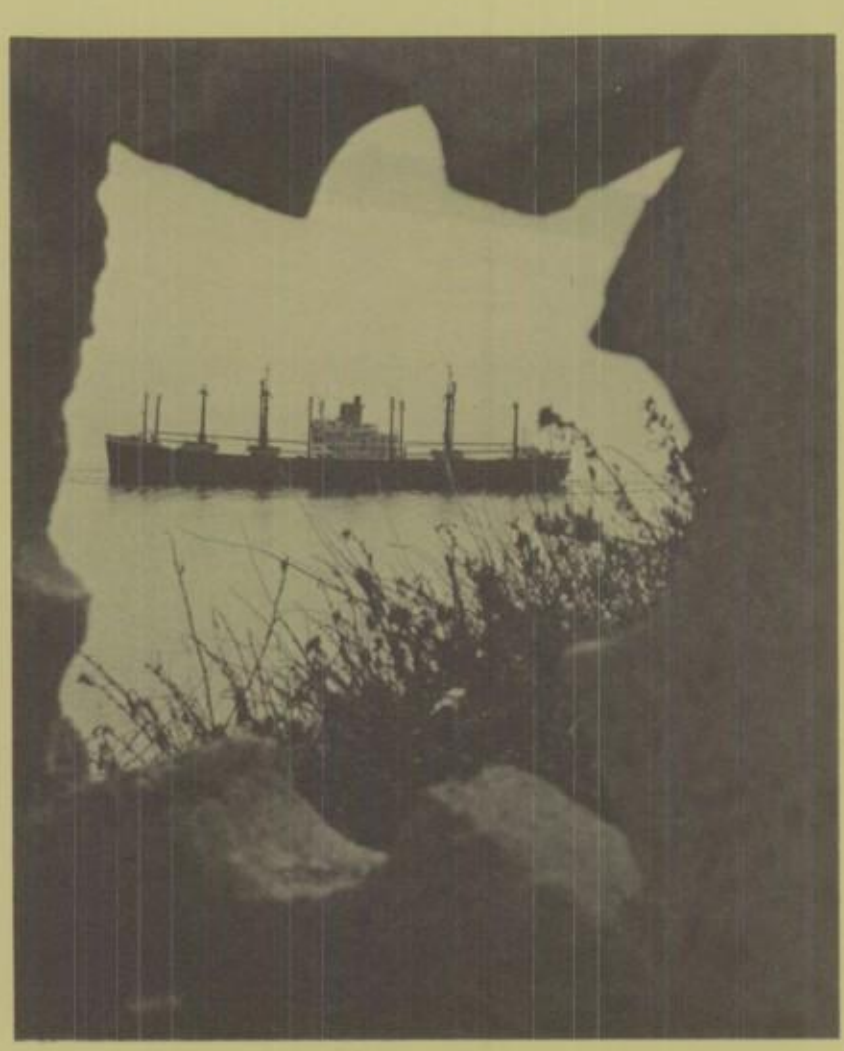
listening for the new told lies

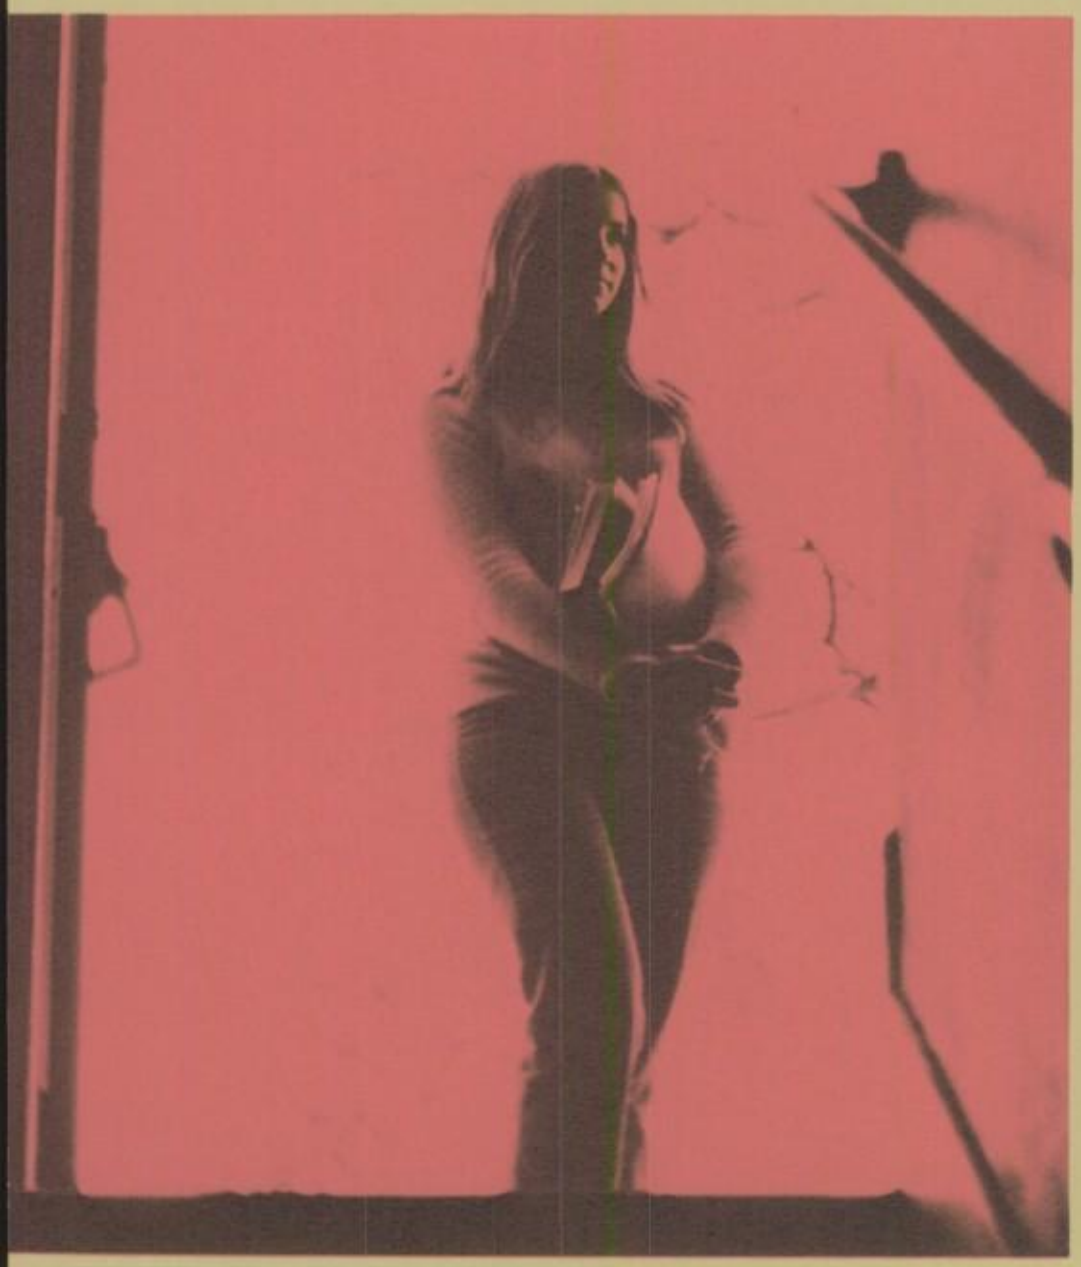
with supreme visions

of lonely tunes . . .









Somewhere,

inside something,

there is a rush of greatness,

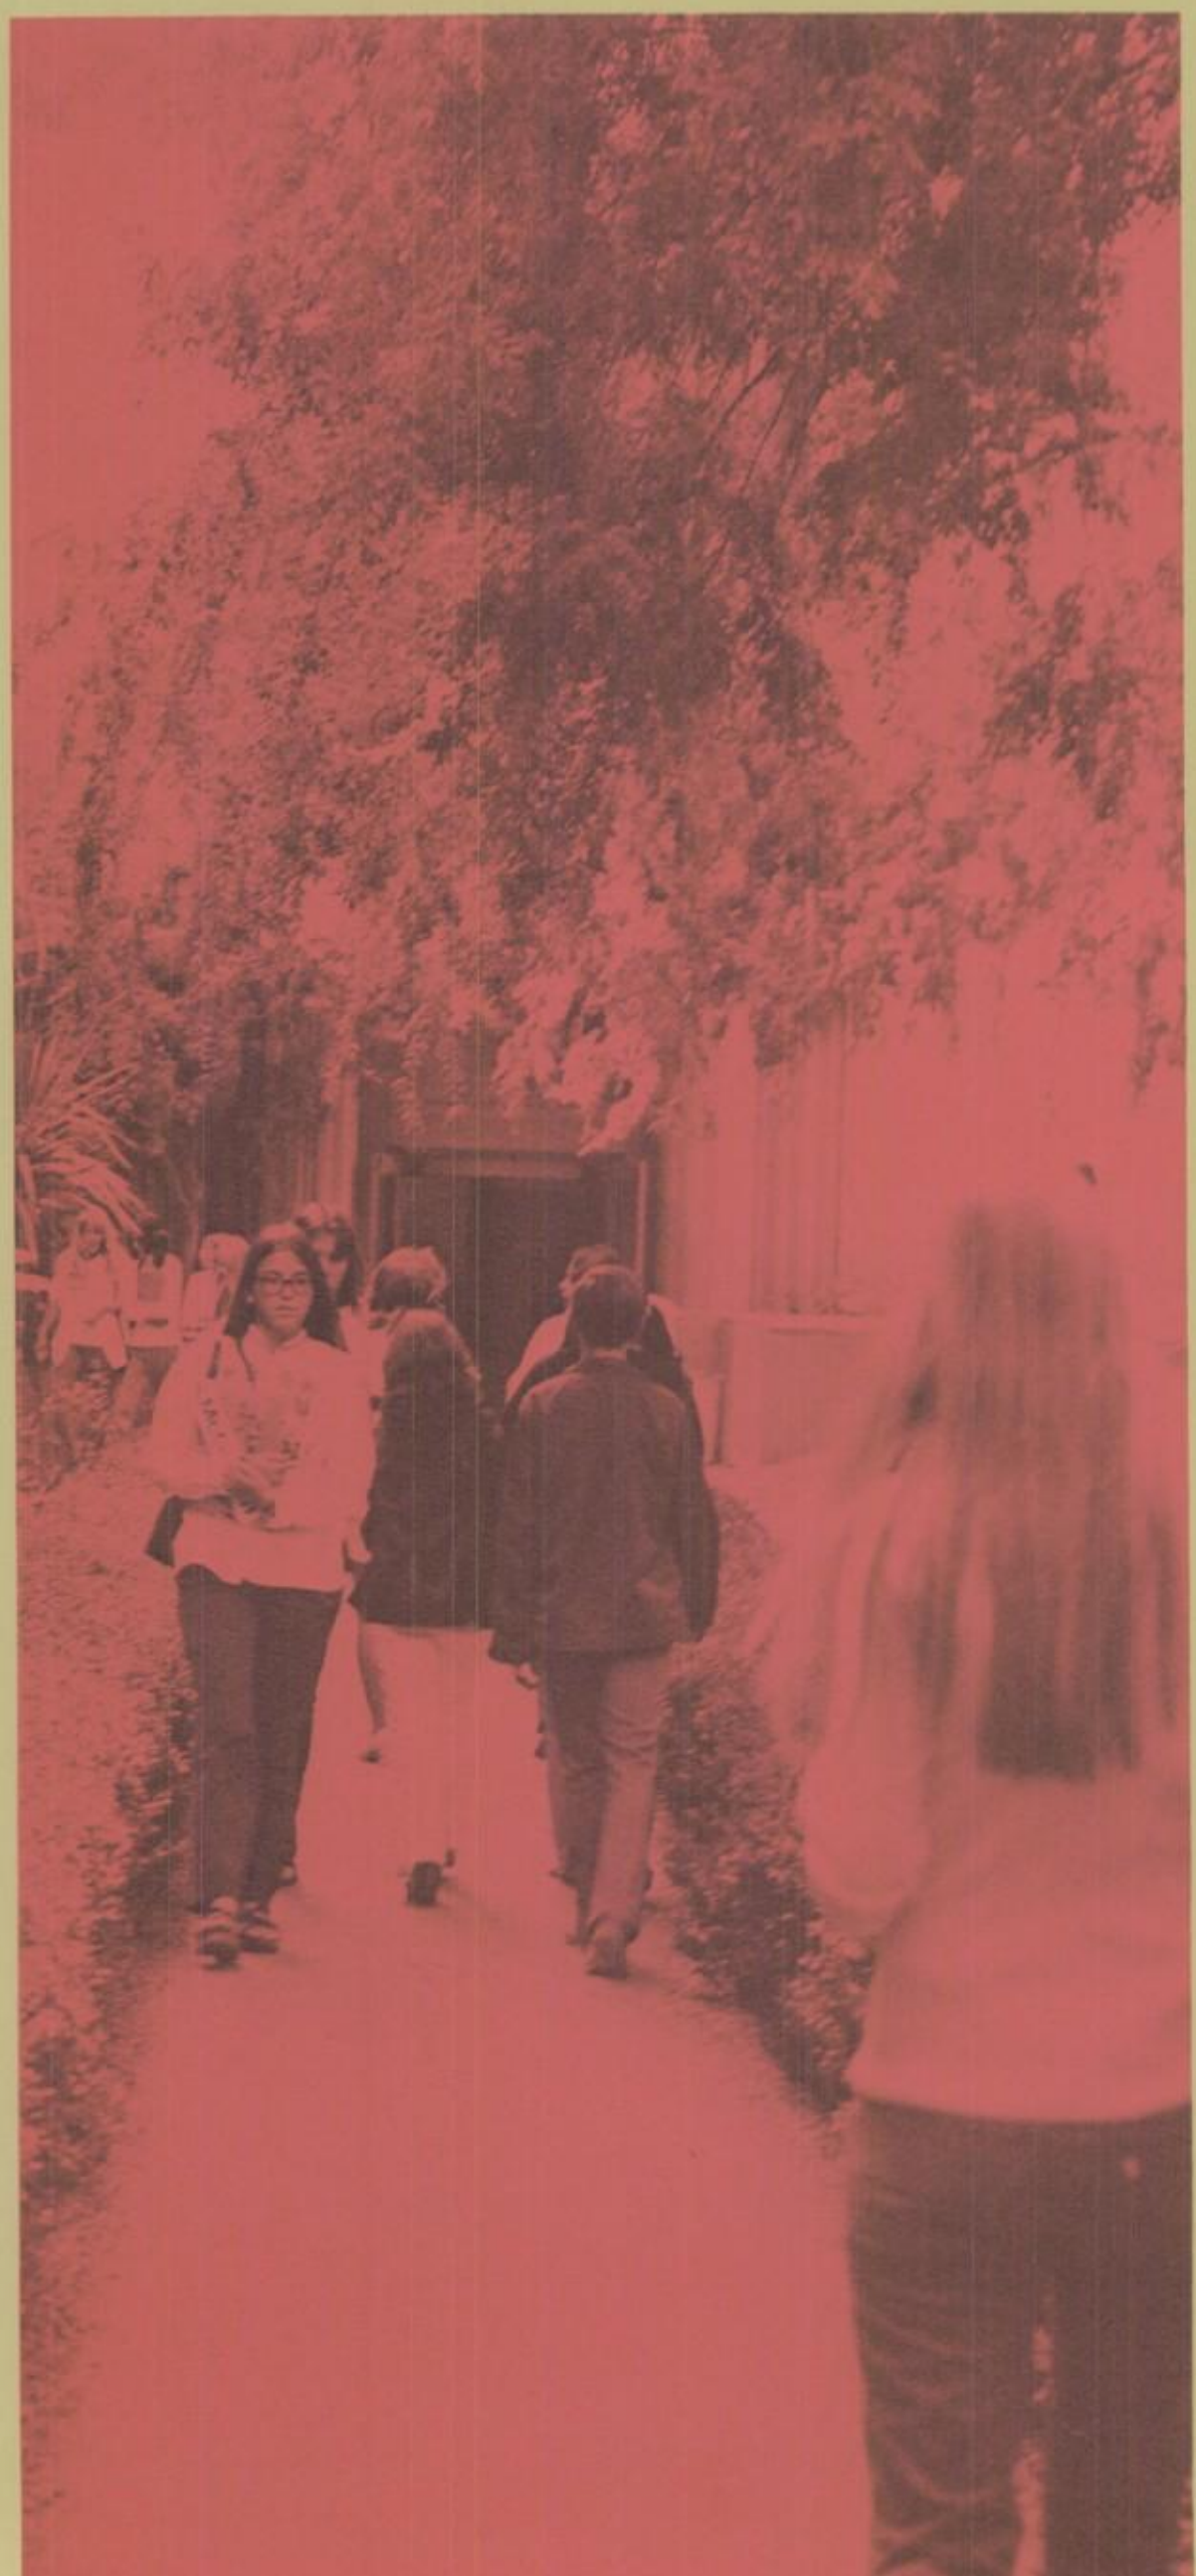
who knows what stands in front of our lives;

I fashion my future on films in space.

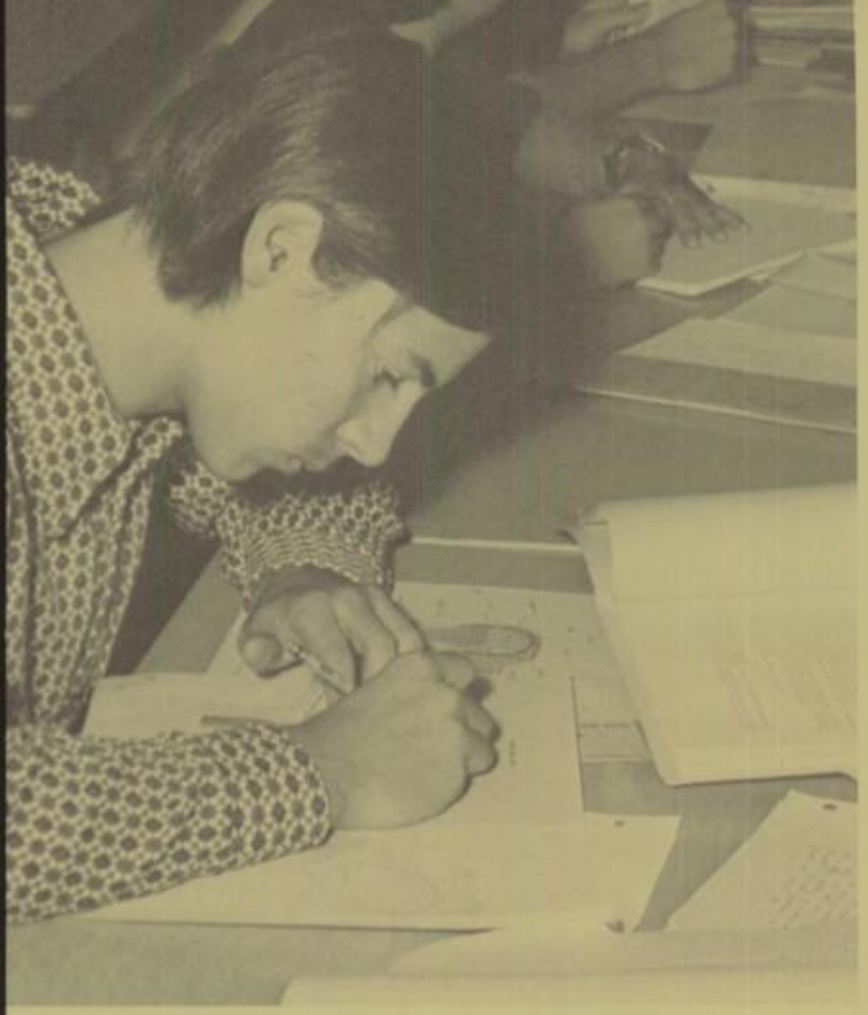
silence tells me secretly

everything, everything.

copyright 1966, 1967 . . . Used by permission



I have learned about the universe,
my world, and its people.
I have learned about myself,
and I am still learning.



EXIT

God grant me the serenity

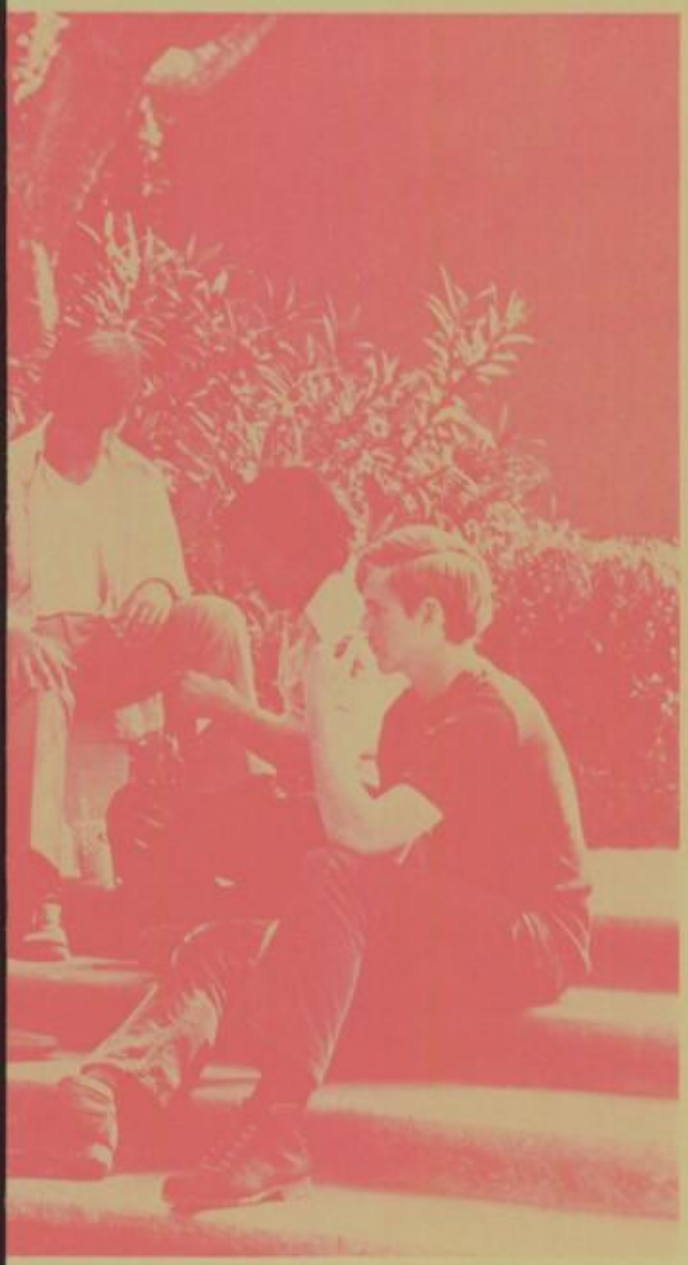
to accept the things

I cannot change, courage

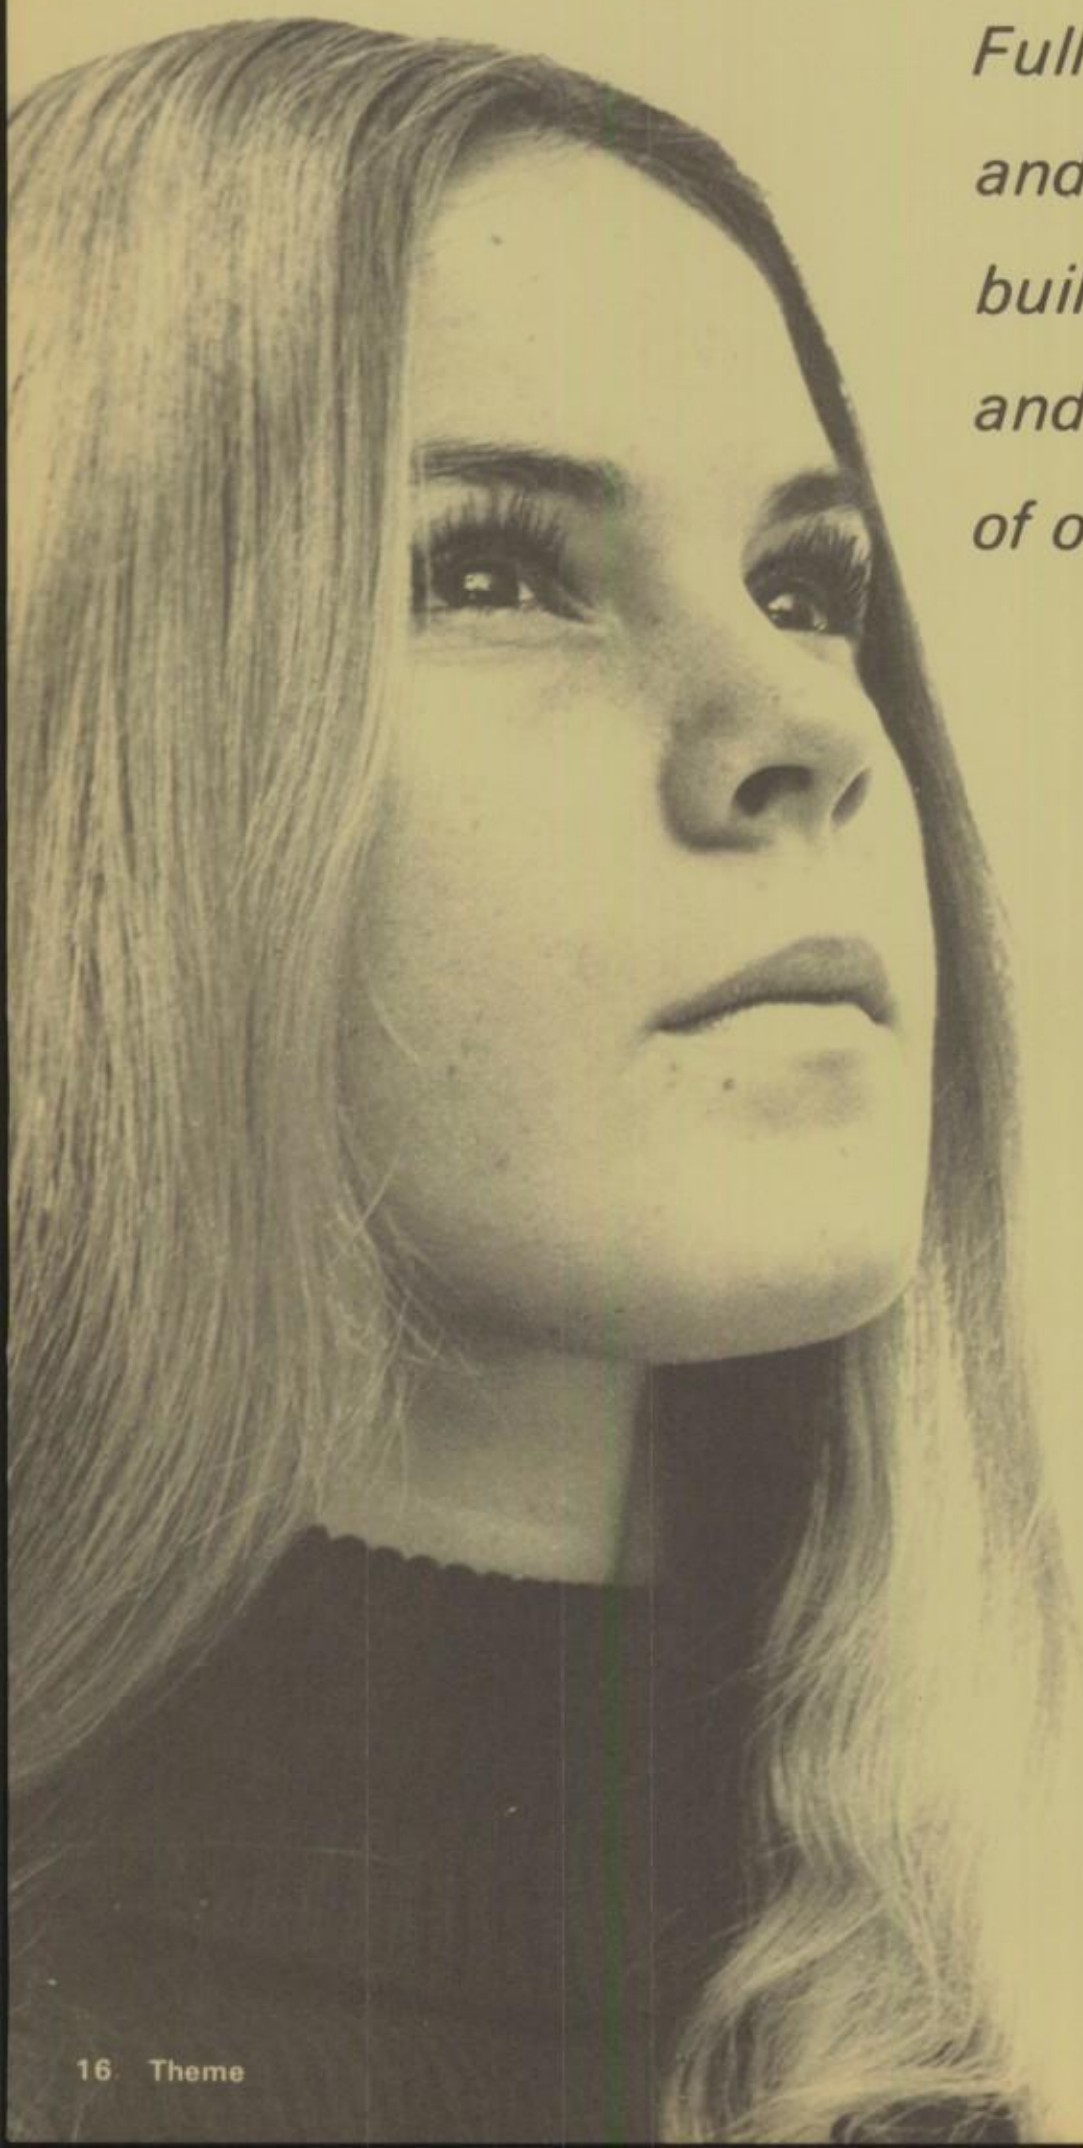
to change the things

I can, and wisdom

always to tell the difference.



And like a wave we form a crest,
our adulthood,
which carries with it to shore
a vision of the future



Full of hope and imagination
and abounding with wisdom
built on adventures
and experiences
of our adolescence.

As the wave swells
and surges,
finally
crashing along the beach,

We will look back
upon this vision
characteristic
of the memories
in this book . . .

A VERY GOOD YEAR FOR KE-ALIANS

The council of the class of 1973 began work for their Senior Year in the summer of '72 with bake sales and Senior Court preparations. The council sanded the benches in Senior Court and painted them regal maroon and bone.

With the school year just started and the Senior Court properly painted and T.P.'ed, the Ke-Alians began their final high school year with an election of officers.

Eligible council members signed up to run for office. It was a unique election. No one ran for a specific office. The two persons with the most number of votes were named the co-presidents while the next four people became assistants to the presidents. Steve Knowlton and Wendy Waterman (Stevendy) were elected presidents. Ervin Frazier, Margie Pilato, Denise Sanchez, and Mark Wells were elected to the board and commenced to organize activities.

The first events of the year were big and fun. They were the activities of Senior Week: Oct. 16 - Oct. 20.

The first day of Senior Week was a talent show arranged by Dan Mitchell. The class made high profits for an entrance fee of a nickle to a dime.

The second day was Flag Day chaired by JoAnn Tominaga. Elisa Wilder and Noel Tamburovich made a bright flag that was flown throughout the year.

The third day was a gala carnival in Senior Court called International Day. Foods, games, and dances from around the world brought a change of scene to San Pedro High's campus and a sponge throw left a very wet Mr. Carter. International Day was well chaired by Nina Marquez.

Steve Knowlton organized the fourth day of Senior Week. The senior girls put together a strong Powder Puff Football Team and the junior girls did the same. They met on the 19th of October, cheered on by the all-male cheerleaders in uniform and in step. The stands were filled . . . and the game grew tense . . . well, exciting anyway . . . and the seniors were VICTORIOUS.

To culminate the week, a large group of seniors stayed awake all Thursday night "poofing" crepe paper and tissues to decorate their cars for Color Day. The colorful Ke-Alians cruised the school and parked on the girl's field early in the morning to await the judging for best design. The winner was Dan Mitchell. Chairperson was Joy Palmquist.

The seniors moved through November and December making decisions on the prom, which was held on May 12 at Disneyland Hotel.

In January the board went to, yes, you guessed it . . . Porterville! . . . (just past Two-Shoes) to watch their graduation announcements being printed.

Later that month, the Ke-Alians held a supper, senior recital and made plans for further senior activities, including the choosing of the senior song, "Stairway to Heaven."

Graduation culminated the year on Thursday June 14. The seniors had completed a full and interesting three years at San Pedro High School with a warm and beautiful commencement.

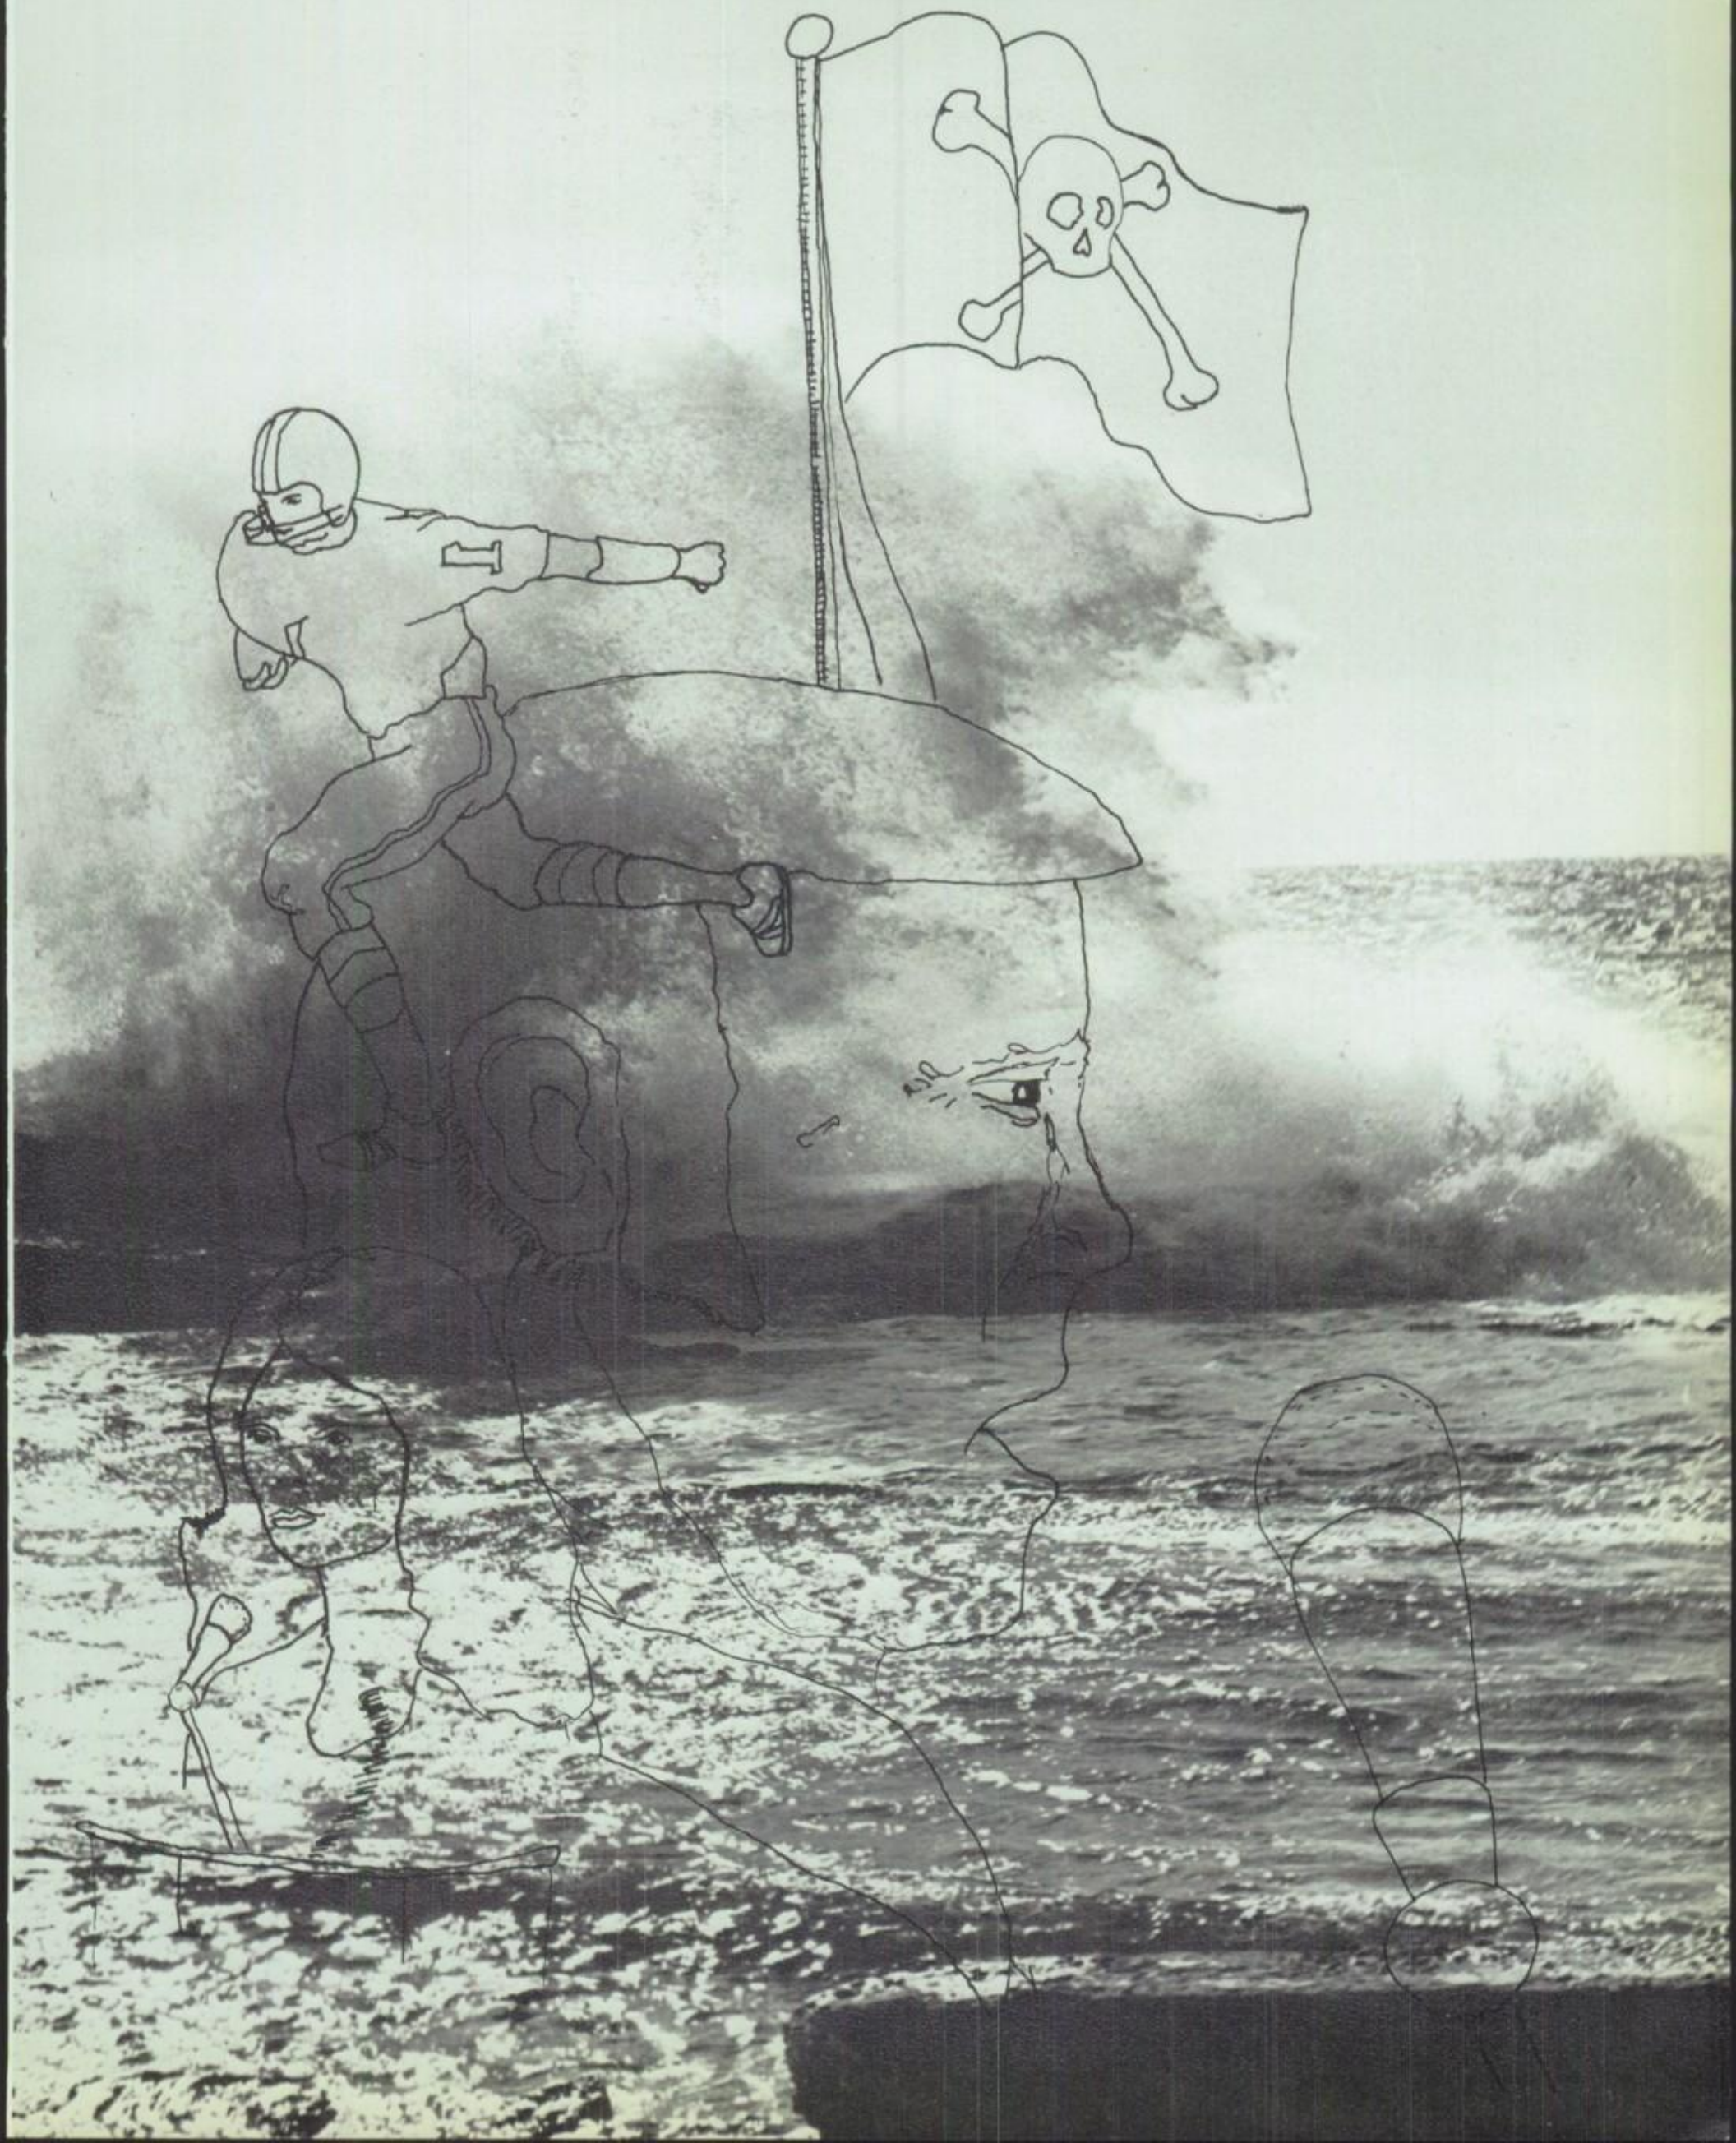
STUDENT LIFE



STUDENT GOVERNMENT: DEMOCRACY LIVES!

The Fall Cabinet began the semester by welcoming instructor Milton Asher in his first semester as co-ordinator of student activities and David Carter as principal. As the semester progressed, Cabinet members worked diligently to make government relevant for students.

Under the new organizational plan, Cabinet was divided into separate executive and legislative branches. The executive branch consists of the elected student body officers and presidents of major organizations. The Senate is the legislative branch and consists of 5 elected students from each grade level. Only senators have voting power on student body matters. Two separate organizations complete the governmental structure. The Student Council (see page 70) advises often the senate. The student-faculty judicial board is appointed by the Cabinet and functions as the judicial branch.

In one of the significant moves, the Cabinet changed the requirements for candidates for student body office to make it easier for more students to participate.

After two comprehensive studies, cabinet abolished Boys' League and halted plans for a "rap room." With the need for more exciting and diverse activities, Ski Club and Surfing Club were charted.

In fiscal matters, Cabinet approved purchase of new instruments of the marching band, new uniforms for basketball and football teams, and boat trip for the marine biology class.

Cabinet members attended a conference with other student leaders from the district to discuss prevention of violence at football games.

The subject of football came up more than once as Cabinet approved the idea of male yell-leaders for the games.

Cabinet also sponsored the varsity basketball team in the Morningside Invitational Tournament during Christmas vacation.

Cabinet moved out of the classroom to attend the famous meeting at Peck Park to discuss the proposal to fill Peck Park canyons to build sports facilities on them.

After setting up committees to evaluate the faculty and school clubs, the Cabinet concluded with an Awards Banquet at a local restaurant.

Under the auspices of Milton Asher, the Spring Cabinet was in charge of a variety of projects ranging from the sponsorship of the homecoming of a former prisoner of war to bringing a world famous rock group to SPHS.

One of the major duties of Cabinet is the dispersion of student body funds. The spring Cabinet allotted $4,600.00: five hundred dollars for special lenses for the cameras of the yearbook, six hundred dollars for the purpose of repairing the finance office, and $3,500 for the purchase to band uniforms.

The money allocated for the band uniforms was added to the $6,000 that the P.T.A. had already accumulated.

One issue that received a considerable amount of discussion at Cabinet meetings was that of the plight of the Varsity Cheerleader. These senior girls complained that their senior semester was too full of other activities to devote the amount of time that was necessary to do a good job.

Cabinet responded by changing the period of time that a cheerleader was to serve. Originally, cheerleaders had been active during their senior year from September to June. Cabinet changed this so that Varsity Cheerleaders would begin their tenure during the spring semester of their junior year. Then, as senior girls, they would step down just after the beginning the following spring semester.

Besides creating the idea of two school mascots (a boy and a girl) the spring semester of student government also sponsored the highly successful Renaissance Fair. The Fair was held in senior court and north terrane of auditorium where a multitude of food and games were sold for a mere pittance.

On April 7, Dodson Field was the site of a yet solemn occasion. On this day San Pedro High, along with the entire community, welcomed home Mayor John Fer, the former POW who had been held prisoner in Vietnam for the past six years.

The highlight of the afternoon came when ASB President Wilcox made a special presentation to the San Pedro High graduate. In front of a host of dignitaries, including Los Angeles Mayor Sam Yorty.

On Friday night, April 13, a sell-out crowd at the SPHS auditorium listened as the world-famous rock group, Spirit, entertained students past all expectations. The people responsible for the concert was Cabinet, of course.

STUDENT COUNCIL COUNSELS AND ACTS

A new process of electing student council members was only a small part of the successful Fall Student Council.

In previous years, one member was selected from each homeroom to serve on the Council. The new Student Council, which meets once a week, consists of forty-five members, fifteen from each grade level. Students voted for candidates of their respective grade levels.

But along with this innovation, the ASB Vice-President will continue to serve as the President of the Student Council.

The council, presided over by Chuck Wilcox, reaped many fruits from their long hours of labor.

A sum of $270.00 was realized for the student body fund from the Homecoming Dance.

The school-wide United Crusade drive (sponsored by the Student Council) broke all records for donations collected. The Student Council also sponsored the first United Crusade Assembly where almost a hundred dollars was collected.

The Council, realized that the students had the right to drink coffee on campus and purchasing a coffee urn.

CRY OF PLAYERS

Although the name of Shakespeare was never used, it was obvious that the playwright intended it to be a fictionalized biography about his young adulthood which dealt with the struggle young Will faced in deciding whether to run away with the traveling actors led by Will Kemp or stay with his wife and young family.

CRY OF PLAYERS was performed completely in the round on March 22-26. On Sunday, March 25, a Renaissance Fair was staged by many school groups with Shakespearian entertainment, games, and food.

CALIFORNIA SCHOLARSHIP FEDERATION

The San Pedro chapter of the California Scholarship Federations (CSF) was formed in 1923 to give recognition to outstanding young scholars. From an original membership of six, the ranks of CSF have swelled to the present 100 members. To become a member, a student must have at least three "A'a" and one "B" on his last report card.

CSF activities for 1972-73 included a tour of the UCLA campus, co-sponsorship of the Toys for Tots drive with Key Club, and invitational assembly about ecology, parents' night recognizing CSF Life Members, a regional conference at California Lutheran College, and a field trip.

CSF members were listed this spring in a special supplement of the Los Angeles TIMES. They also received free tickets to Dodger baseball games.

CSF Life Members, students who have been members for four semesters, are honored with gold seals from CSF on their diplomas, and gold tassels and honor cords on their caps and gowns.

This year's fall officers were: Michelle Duval, president; Hanneke Monod de Froideville, vice-president; Laura Hughes, secretary; Karen Deguchi, treasurer; and Janet Grossman, historian. The spring president was Lola Marquez.

GIRLS' LEAGUE

The Girls' League has taken an active part in campus life and has been an energetic participant in community activities. Every girl in school can participate in the activities whether it be an assembly, bowling party, father and daughter banquet, or after game party.

Last fall, officers attended a planning conference for all girls' leagues in the district and this spring planned a reception to honor girls' athletic teams.

However, the highlight of the year was Girls' Week from March 5-9. On Monday a kick-off breakfast was held. Ruthie Gorton, feminist and folksinger, performed for an appreciative audience in the auditorium. On Thursday many girls visited businesses and schools as part of Girls' Day in the Community. Lola Marquez recorded her reactions below. Two big events were scheduled for Friday. First, a baking contest was held in the morning, with the food being sold at lunch. Also at lunch a student volleyball team defeated a faculty team.

President for the year was Margaret Mixon, and the advisors were Ms. Mary Schlatter and Ms. Pat Stanyo.

Lola Marquez traveled to downtown Los Angeles and reported, "I presided as City Clerk for a day. After meeting Rex Layton, the real city clerk, at the Los Angeles City Hall, we sat in on a meeting of the city council. I was seated with Mr. Layton just below Councilman John Gibson. Later we had lunch in the Tower Room on the 27th floor of the city hall. We then met with about 25 officials who showed us their offices and explained procedures of the city clerk's office to us. We also met the mayor's wife and Judge Joan D. Klein. In a courtroom the girls staged a mock trial at which I served as a defense attorney. I enjoyed this because I hope someday to become a lawyer. At the end of the day I was given an impressive certificate of appreciation, the only person to receive this honor of the 200 girls at the city hall that day."

LADIES AND SQUIRES

Squires started in the Spring '71 by the Knights. It is an Honor Organization, which any young man with a 2.0 GPA average can join that is willing to offer his services at SPHS and the Community. Their activities included such things as; donation of toys to the Toberman Settleman House, bake sales, and campus clean-up, and circulation of report cards. Their honorable sponsor is Mr. Bergeron. Meetings are held on Tuesdays, during lunch.

Since its inception in 1971, Ladies has proved to be extremely viable. Under the leadership of President Carla Mracich, Vice-President Cathy Gaar, Secretary Sandy Alexander, Historian Cheryl Sprang, Treasurer Anita Gioello, and Sergeant-at-Arms Denise Cuciti, the Ladies have embarked on a program of total involvement.

Their long list of activities includes circulation of ballots and report cards, assistance during registration, and service as hostesses of incoming tenth-grade women. Reaching out to the community, the Ladies have organized a bottle drive, bake sales, a car wash, and parties at Head Start and Harlan Shoemaker School.

Membership in the Ladies is open to junior and senior girls who are interested in serving their school and community. A grade average of "C" or better is required.

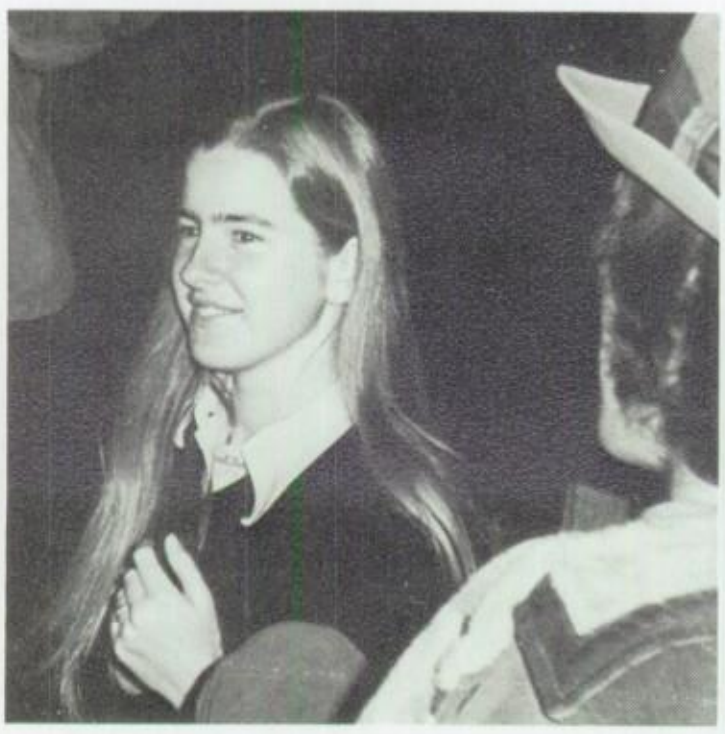
TWO CLUBS DEDICATED TO HONOR AND SERVICE

Soon after the formation of Knights in 1939 the groundwork was laid for the establishment of an honor society for girls. This organization, named the Knightettes, became the highest club on campus for young women.

The Knightette shield, designed by Anne Honeywell, symbolizes the virtues desired in all members of the club. It consists of four stars which surround the head of Athena, the Greek goddess of wisdom. The star on the right represents leadership, and the three stars on the left denote loyalty, scholarship, and citizenship.

Among the sundry duties of the Knightettes are cleaning out lockers, registering students for classes, ushering at assemblies, and orienting sophomore girls to San Pedro High. The Knightettes have also been active in community affairs, organizing a party for Head Start and caroling in convalescent homes. They also vanquished the Knights in the canned food drive for Toberman Settlement Home.

Sponsored by Bonina Bradanovic.



The Knights is the oldest honor group on campus. With gold emblems on a black sweater the Knights can be identified easily at various school functions.

Although Knights is an honor organization, it is involved in many worthwhile projects in school. Knights helped during both spring and fall registration, assisted in collecting canned foods for the school-wide canned food drive.

The twenty six members of Knights also co-sponsored a Christmas and Easter party for the Harbor Hills Headstart group with the Knightettes, held a marathon volleyball game, defeated the Squires in both basketball and football, and hosted an inter-club picnic with their counterparts at Gardena High.

The Knights were also involved in three other outstanding projects. Two of these were the fall and spring car rallies which the Knights sponsored. Over seventy cars entered both of these successful rallies.

The other outstanding project took place at Carson High School. There Knights and Knightettes met with members of similar groups from throughout the Marine League to air their views on the problems confronting such clubs.

But along with such innovative projects, Knights also fulfilled their traditional duties: raising the flag each morning, checking fire boxes, and ushering at assemblies.

Sponsored by Joseph Mardesich.

KEY CLUB FULFILLS

Key Club is community-oriented service organization under the aegis of Kiwanis International. Under the leadership of President David Graham, the San Pedro High Key Club put forth over 10,000 man-hours to bring many constructive changes in the community.

Projects this year included: assisting at fall registration, repainting buildings at Harbor Hills Headstart Center and Toberman Settlement House, and aiding the Harbor Area Retarded Children's Foundation in collecting saleable items for its Bargain Barn Thrift Store and in running the store.

The most outstanding project of the winter was the two tree plants in the San Gabriel Mountains. Seven Key Clubs from Division 19 were organized by Jay Sak, and over 1,000 trees were planted.

The major project for the spring was organization and leadership of the school-wide Blood Bank held on May 25. San Pedro High students took as their goal the collection of 1200 pints of blood to equal the approximate amount used in a year at San Pedro & Peninsula Community Hospital.

Now in its fourth year at San Pedro High, Key Club had a very active membership and board of directors. The board consisted of President David Graham, Vice-President Jay Sak, Assistant Vice-Presidents Steve Lax and Don Heep, Treasurer Don Darling, Secretary Craig Carney, Chaplain Brad Brown, Sgt-at-Arms Guy Morgan, and Grade Representatives Shaun Quinlan, Charles Von Gunten, and Scott Darling.

One of the unique features of Key Club is its probationary period new members. Applications are accepted twice a year, and new members must serve a probationary period of one semester during which they work side by side with regular members and demonstrate their dedication to community service.

Co-eds were accepted into membership on two bases: "sweethearts" and regular members, which was tried as an experiment this year. Sweethearts were: Gina McLendon, Division 19 Sweetheart; Cindy Andrich; Carol Benedict; Jeanne Herrera; Sandra Gutowski; Tracy Litman; Sharon Miller; Marta Rede; Kathy Sanchez; Forrest Shaw and Dorean Stern. Linda Lisman and Joann Tominaga were accepted as regular members.

Faculty Advisor was L. Curtis Sheffield, and Kiwanis Advisor was Dr. John Goode. In 1972-73, members of the San Pedro High School Key Club truly lived to the Key Club International motto: "We Build!"

HOMECOMING 1972

Many people participate in San Pedro's Homecoming. Among them are Pep Club, Student Council, and the alumni cheerleaders. This year's Homecoming game was played at Daniels Field against Gardena. At halftime Gina McLendon was crowned Homecoming Queen. Other members of the Homecoming Court were Louise Lokers, Forrest Shaw, Helen Bechtol, Sandra Gutowski, Piper Hale, and Silvia Tognola.

AFS is people who want to give something to one another. AFS is an experience in human relationships. AFS brings people together, people who differ in some important ways, and yet have something valuable to share. AFS is sharing ideas, responsibilities, emotions, activities, and AFS is sharing quiet moments, and discovering that through giving one receives.

AFS has two foreign exchange programs. The first brings over 2,000 students from all over the world to America each year. The students are placed in American families and live there for one year while attending the senior year at a local high school. At SPHS we have two AFS students. Finnbori, who is part of Kieth Stanhill's family, is from the Faroe Islands. Silvia Tognola, who is part of Mary Palmquist's family, is from Switzerland. The second exchange program is the "Americans Abroad" program. Any high school juniors and seniors can apply for these international scholarships. There is no grade requirement other than at least a B in one or more years of any foreign language. One need not have been an exchange student to join the program, but simply have an interest in new and different people.

SPHS recently had two Americans Abroad students. Linda Benedetti, placed in Chili, returned in January of 1973: and Mary Palmquist, placed in Austria, returned in September of 1972. The AFS candidate for 1973-1974 is Ervin Frazier.

This year AFS has done many exciting things. Some were as follows: 1. AFS exchange day; 2. Participated in international day during Senior week; 3. International Festival of Breads and Cheeses; 4. Roller Skating Party; 5. Universal Studio Tours; 6. Ice Skating; 7. Annual Neshef Concert (Jewish Youth Festival); 8. Catalina Week-End Camp Out; 9. Picnic at Irvine Park.

Water Polo

San Pedro High's water polo team enjoyed one of its finer seasons in 1972. The team finished with a 6—2 record, which was sufficient for third place in the City. Some of the highlights of the season were an 8 to 3 trouncing of the Venice A team, a 7 to 2 drubbing of University High, and a 15 to 5 rout of the Venice B team.

The water polo team is coached by Jerry Lozano, a San Pedro High alumnus. Lozano was an All-American in water polo at Harbor College and was named to the PCAA Second Team at CSU Long Beach.

Many high school gridders would have been disappointed by a third place finish in their league, but for the San Pedro High varsity football team it was one of the best performances in recent years. The San Pedro gridders played in the Marine League which includes the City's two top teams, Carson and Gardena. Their itinerary also included a skirmish against the powerful Dorsey team. In spite of this demanding schedule, the Pirates were a threat in every game, except two, and they were in contention for a play-off berth up to the final game.

San Pedro's primary weapons were a tenacious defense, which held opponents to an average of 19 points per game, and a bruising ground attack led by Albert Jana, Ernest Crow, and Michael White. Equally explosive was the potent passing of Mike Camello to Richard Tomsco and Mike Barber.

One of the season's highlights was a last minute, heart-stopping victory over Banning. In the waning moments of the game, a drive was capped by Mike Camello's long scoring toss to Larry Wade. In another bright spot San Pedro pummeled Narbonne, 26 to 14. During this contest, Pirate runners went on a rampage as Albert Jana scored four touchdowns.

PIRATE BEES FIZZLE IN TOUGH MARINE LEAGUE COMPETITION

The Pirate Bees began the 1972 season with high hopes, with new head coach Mel Mothershead and assistants John Vara and Jerry Garcia. After suffering a disappointing opening loss to Dorsey High, the San Pedro gridders' spirit was heightened with a well-earned victory over Bishop Montgomery's sophomores. The rest of the season, however, only brought disappointment to the hard working Bees. Many times during their yearly meetings with the always-tough-Marine-League opposition, the Pirates were unable to capitalize on their outstanding defense by failing to move their offense effectively. With valuable experience gained this year, next year's Bee team promises to be much improved.

VARSITY BASKETBALL

An aura of optimism surrounded this year's varsity basketball squad. Initially these hopes were fulfilled by a pre-season record of four wins and only three losses. However, the Marine League season's arrival marked the dissipation of Pirate expectations.

In most of their games the Bucs clung tenaciously to their opponents only to emerge with a narrow defeat. The first game was illustrative of this trend: San Pedro lost to Carson by one point. The Pirates lost their second game to Locke by a score of 75—77. Banning handed San Pedro its third loss, winning 63—59. The Pirates' fourth loss was dealt by Gardena: 53—65. Narbonne was San Pedro's first victim. The Pirates rolled to a 73—70 victory. In their rematch against Carson, the Bucs gunned down the Colts 72—47. However, the Pirates came up short in their attempt to avenge their loss to Locke: the score 73—88. In the next game the Mohicans were scalped as San Pedro triumphed 73—66. Narbonne vindicated its earlier loss to the Bucs 78—72, and the Pirates finished fifth in the Marine League with a 3—7 record.

Outstanding gunners for the varsity team included Mark Stevens, Rocky Hill, Richard Crook, Richard Garcia, Chuck Gonzalez, and Ervin Frazier. The coaches were Robert Bell and Bob Eaton.

VARSITY BASEBALL

Having himself played for San Pedro High, Jerry Lovarov has been a baseball coach at his alma mater for 17 years. First he was the junior varsity coach, but the past 3 years he has coached the varsity. During this period his players have won 8 league championships and have finished lower than second only twice! In the past few years, eight players have signed professional contracts right out of high school. All of this has happened despite woefully inadequate facilities at this school!

This spring his Pirate squad was picked to play two exhibition games at a coaches' clinic.

Coach Lovarov says he believes in discipline but feels a coach should not pressure a player to perform. He emphasizes fundamentals and tries to treat every player as an equal. He says the success of the Pirate ball teams is a reflection of the community baseball program plus the spirit of winning among the players themselves.

Despite his modesty, the name of Jerry Lovarov is closely associated with baseball success at San Pedro High School.

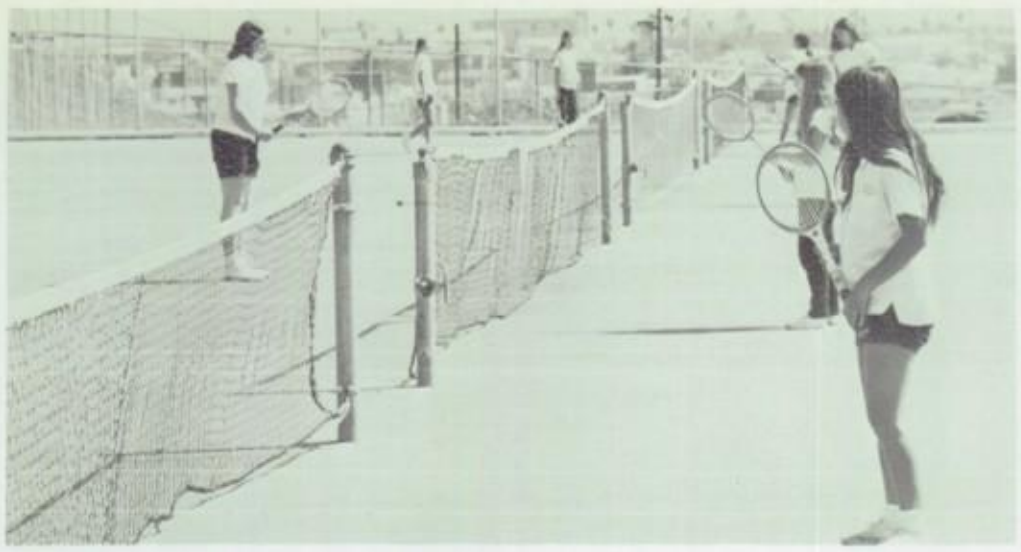
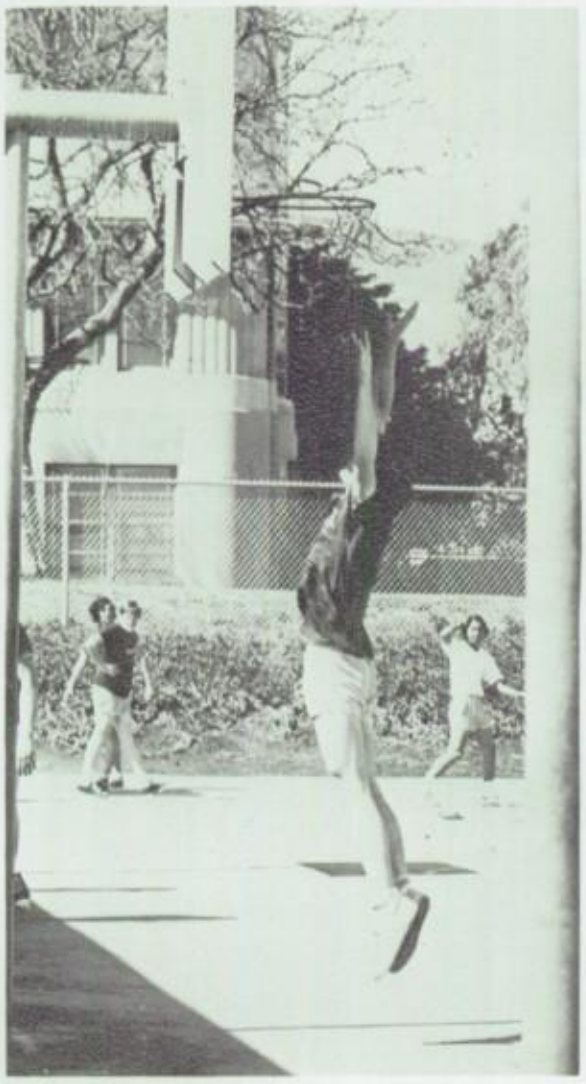
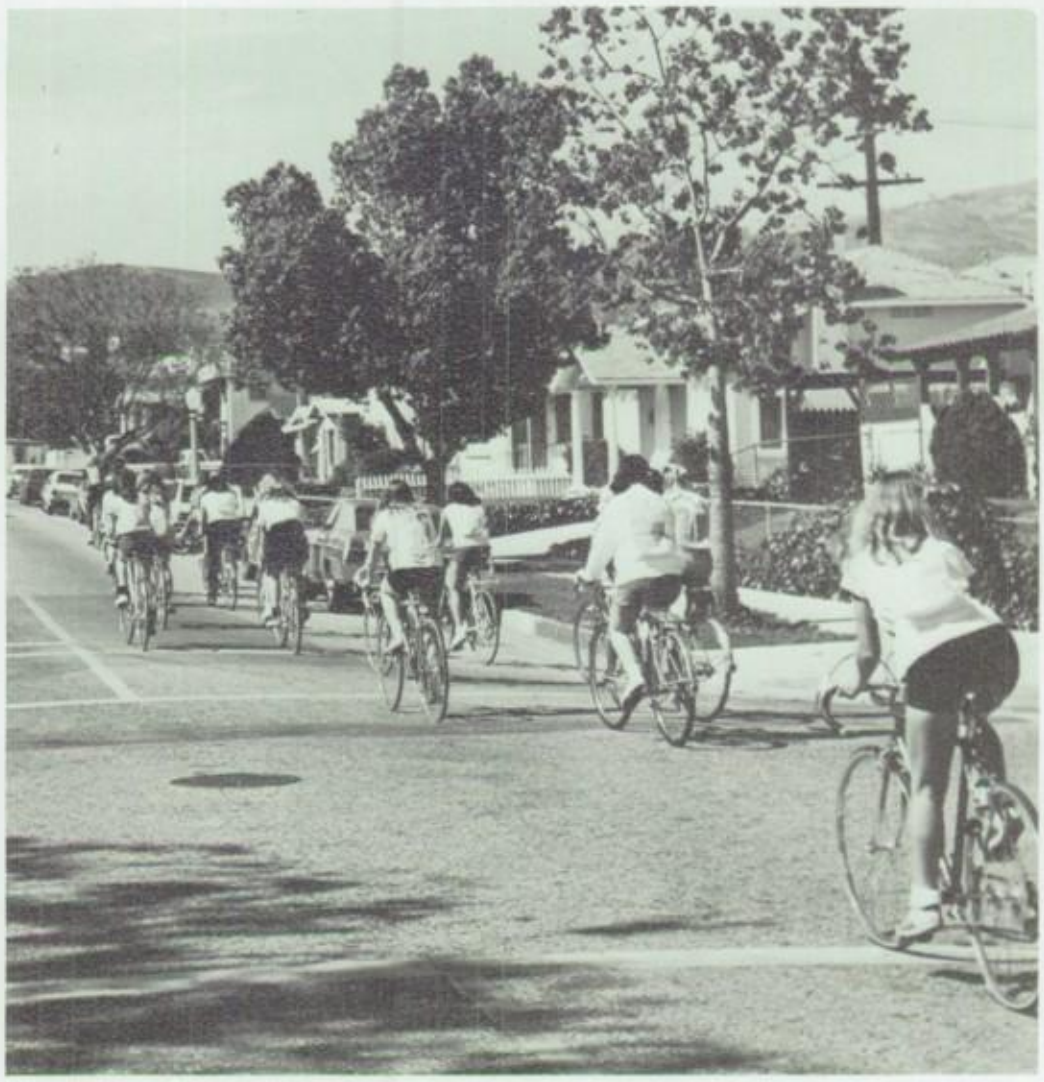
PHYSICAL EDUCATION

Although only interscholastic competition usually receives publicity, there are other athletic activities which are often overlooked. The purpose of this section is to give recognition to the unsung heroes of intramural sports, those enrolled in P.E. classes. P.E. activities such as calisthenics, basketball, tennis, volleyball, and bicycling are often as rewarding and stimulating as the interscholastic sports. P.E. classes enable students to improve their athletic prowess and maintain their good physical condition.







CATERETTES & CHESS CLUBS

FRONT ROW: (left to right): Nancy Silvas, Dorean Stern, Diane Yasuda, Tammy Deguchi, Barbara del Rosario, Robin Ware. SECOND ROW: Rhonda Scott, Betty Zamudio, Anne Cuciti, Sonja Branica, Cheryl Sprang, Gina Zuliani. THIRD ROW: Ann Giacalone, Vicky Zamberlin, Vickie Smith.

In 1948 the Caterettes were founded to act as hostesses at school luncheons and other functions. However, the club has now widened its scope to encompass community activities.

Manifesting their culinary skills on Halloween, the Caterettes baked cookies for the tykes at the Harbor Area Retarded children's Foundation. Displaying their artistic talents, they constructed turkey centerpieces to embellish school offices in November. Christmas time at the Head Start center in Harbor City was happier because the Caterettes made beanbag frogs for each child.

The highlight of the spring semester was the baking contest during Girls' Week in March.

Interspersed between these projects were their service at PTSA meetings, sports banquets, Key Club gatherings, and community gatherings.

Officers were Lanese Turner, president; Sonja Branica, vice-president; Betty Zamudio, secretary; Rhonda Scott, treasurer; and Synde Couchman, historian. Diane Yasuda served as president for the fall semester. The sponsor was Mrs. Helen Rosenbaum.

Chess Club was founded in 1969 to promote chess. The first sponsor was Mr. Hans Fuhrmann. Upon his retirement during last fall, Mr. Donald Walker and Mr. Tony Perkov took over sponsorship.

The club's main activity is its annual chess tournament. Barry Matthews emerged as the victor in the 1972-73 tournament, which lasted from October to February. Rocky Hill and Anthony Podue fought for second and third places respectively.

Chess Club also provided an opportunity for students to develop their skills and meet others with the same interest.

President was Linden Fellerman, assisted by Anthony Podue as vice-president and Larry Michaels as sgt-at-arms.

FIRST ROW: Cathy Fadden, Nancy Chneg, Anita Gioiello, Lori Nolan, Mike White, Gail Tominaga, Don Huey, Karen Deguchi.

Commondons is composed of tenth and eleventh grade students. The name is a combination of Commodores of Dana Junior High and Dons and Donettes of Dodson Junior High, all the highest honor organization at each school.

The club was founded four years ago to provide service to the school by underclasspersons who were active in honor organizations at their junior high schools. One important service has been the standing of hall posts to help keep designated buildings clear during lunch of all but authorized students. Other services have included helping teachers circulate report cards, running the refreshment stands at football games, and helping elementary schools with carnivals.

The officers for the spring semester were Cheryl Sprang, President; Mike White, vice-president; Marilyn Furman, secretary; Don Huey treasurer; Gail Tominaga, historian. The sponsor was Mr. Tom Bush.

Officers for the fall semester included Mike White, President; Anita Gioiello, vice-president; Lori Nolan, secretary; Don Huey, treasurer; Gail Tominaga, historian.

Other activities have been a breakfast to welcome new members into the club, a bake sale, a party, and a trip to Disneyland.

The spring semester concluded with the selection of club sweater to identify members of the group.

BACK ROW (left to right): Mark Hoyt, Randy Meier, Chuck Bird, David Adam, Hans Monod de Froideville, Larry Lavarini. THIRD ROW: John Felix, Kenny Rukavina, Graig Wegner, Joe Cotter, Debbie Loob, Paula Larson. SECOND ROW: Diane Johnson, Lila Dorff, Debbie Fillan, Martin Shapiro, Ken Barcus, Cathy Gaar. OSIRIS

TOP ROW: Pat Morales, Ron Morales, Rick Gundy, Jennifer Rabun. BOTTOM ROW: Lila Dorff, Linda Hale, Roger Hayes-President, Diane Johnson

Osiris is one of the many open clubs on campus, but it is specifically for anyone interested in the occult sciences. The purpose of the club is to study general field of the occult sciences and the supernatural and also to investigate specific items of interest to the members of the club. Activities this year have included field trips to Wizards Three and Stonehenge and a guest speaker from the Psychic Research Institute. In their meetings, the members have discussed Tarot cards, ESP, numerology, astrology, witchcraft, and I Ching. The officers have been: Lila Dorff, president; Richard Gundy, vice-president; and Diane Johnson, Secretary-Treasurer. The sponsor was Ms. Carole Nigro.

TEENAIDERS

BACK ROW: Irene Chavez, Moraya Lee, Barbara del Rosaris, Angela Poma, Patricia Morales, Yolanda Torres. FRONT ROW: Emily Romero, Tasoa Berdanis, Gail Tomingga, and Sandra Ortega.

Teenaiders is a service club under the direction of the Red Cross. Members are interested in helping people, specifically those less fortunate than themselves. At Thanksgiving a turkey with trimmings was donated by the club to Toberman Settlement House for a family. At Christmas members sang carols at several convalescent homes in San Pedro and made Christmas stockings which were distributed by the Red Cross. In the spring members made Easter baskets for children in hospitals and staged an Easter egg hunt for pre-school children. Other philanthropic projects included a donation to Harbor Area Retarded Children's Foundation, as well as working in its thrift shop; helping the Toberman Settlement House with other activities; and assisting Harlan Shoemaker school with its swimming program.

Fall Officers were Rosemarie Cano, president; Geraldine Bilicich, vice-president; and Sandra Ortega, historian. Spring officers were Geraldine Bilicich, president; Irene Chavira, vice-president; Mireya Lee, secretary; Yolanda Torres, treasurer; and Sandra Ortega, historian. Ms. Consuelo Watkins has been the sponsor for five years.

FUTURE TEACHERS

BACK ROW: Janet Knight, Debbie Jones, Cathy Gaar, Linda Bobadilla. FRONT ROW: Marsha Kleinkauf, Debbie Gillan, Pat Burk, Bob Bilzing, Jane Kato.

FIRST ROW (left to right)-Sherry Rheinbold, Debbie Fleming, Angelina Gutierrez, Leticia Aguilar. SECOND ROW-Toni Martinovich, Marie Close, Martine Spatafora, Linda Haley, James House.

FRENCH CLUB

Le Cercle Francais was founded when the French language was re-introduced to San Pedro High School in the 1950's. Before that time French had flourished under the excellent teaching of Dr. Isabelle Grant, but several years after she left it disappeared from the curriculum. When French was again added to the program the club was organized to further the interest in the French language-"la belle langue Francaise."

The main activity of the fall was the Christmas Party. In the Spring the planning of the Mardi Gras and the Spring picnic kept them busy.

The officers for the fall semester were: Amelia Ray (President), Angelina Gutierrez (Vice-President), Debbie Fleming (Secretary, Leticia Aguilar (Treasurer).

The officers for the Spring semester were: Toni Martinovich (President), Mindy Zubak (Vice-President), Martine Spatafora (Secretary), Sharon Rheinbold (Treasurer).

ECOLOGY CLUB

The Ecology Association evolved from the Science Club about three years ago. The club was founded by Mitch Taylor because of the interest in ecology and the need of an active environmental force on campus.

Ecology Club started a recycling center and later moved to 9th and Western to join forces with S.P.E.A.K. (San Pedro Environmental Action Kommittee.)

This year the Ecology Action Association planted a pine tree in front of the Science Building and sponsored Councilman Marvin Braude to speak to our school about his campaign for County Supervisor and Proposition 20 (The Coastline Initiative). The Highlight of last semester was Earth Week, April 15-21, Monday and Tuesday we had Plastic Carton Recycling Days at our school. Wednesday was Non-polluting Day (bikes, skate boards, feet, etc.). A school clean-up day with the losers giving the winners a party on Wednesday. On Friday there was an assembly with a film and speaker, and Saturday a Bike Rally. (patterned after a car rally) through San Pedro.

The officers this year were: President-Loyd Champion, Vice President-Janet Grossman, Secretary-Pilar Ara, Treasurer-Frances Berry.

FRONT ROW (left to right): Janet Grossman, Pilar Ara, Linda Hale, Donna Maurer. SECOND ROW: Laurie Kaplan, Patricia Morales, Melanee Johnson, Diana Marsh

FRONT ROW: Erma Lujan, Martha Montes, Olga Romero, Elsie Quesada, Thersa Trujillo, Silvia Carrillo. SECOND ROW: Silvia Hernandez, Elsa Lujan, Irene Chavez, Amalia Cardenas, Silvia Macias, and Leticia Correa.

Concilio de Chicanos stared as a Spanish Club sponsored by Mr. Leon. In 1969 the name was changed, and its goals were completely revised. Now its general function is raising money for a scholarship fund. It has helped many in their first year of college. The Concilio has tried to make its culture known throughout San Pedro High. Its past activities included car washes, bake sales, a dance, and trips to different college campuses. This year the Concilio held a "Cinco de Mayo" celebration, which was a resounding success. Concilio de Chicanos has also become involved in the CASA program which is an umbrella organization for all the Chicano clubs in the harbor area.

This year's officers were Virginia Perez, president; Irene Chavira, vice-president; Silvia Hernandez, secretary; Elsa Lujan, treasurer; Amalia Cardenas, historian; Leticia Aguilar, corresponding secretary.

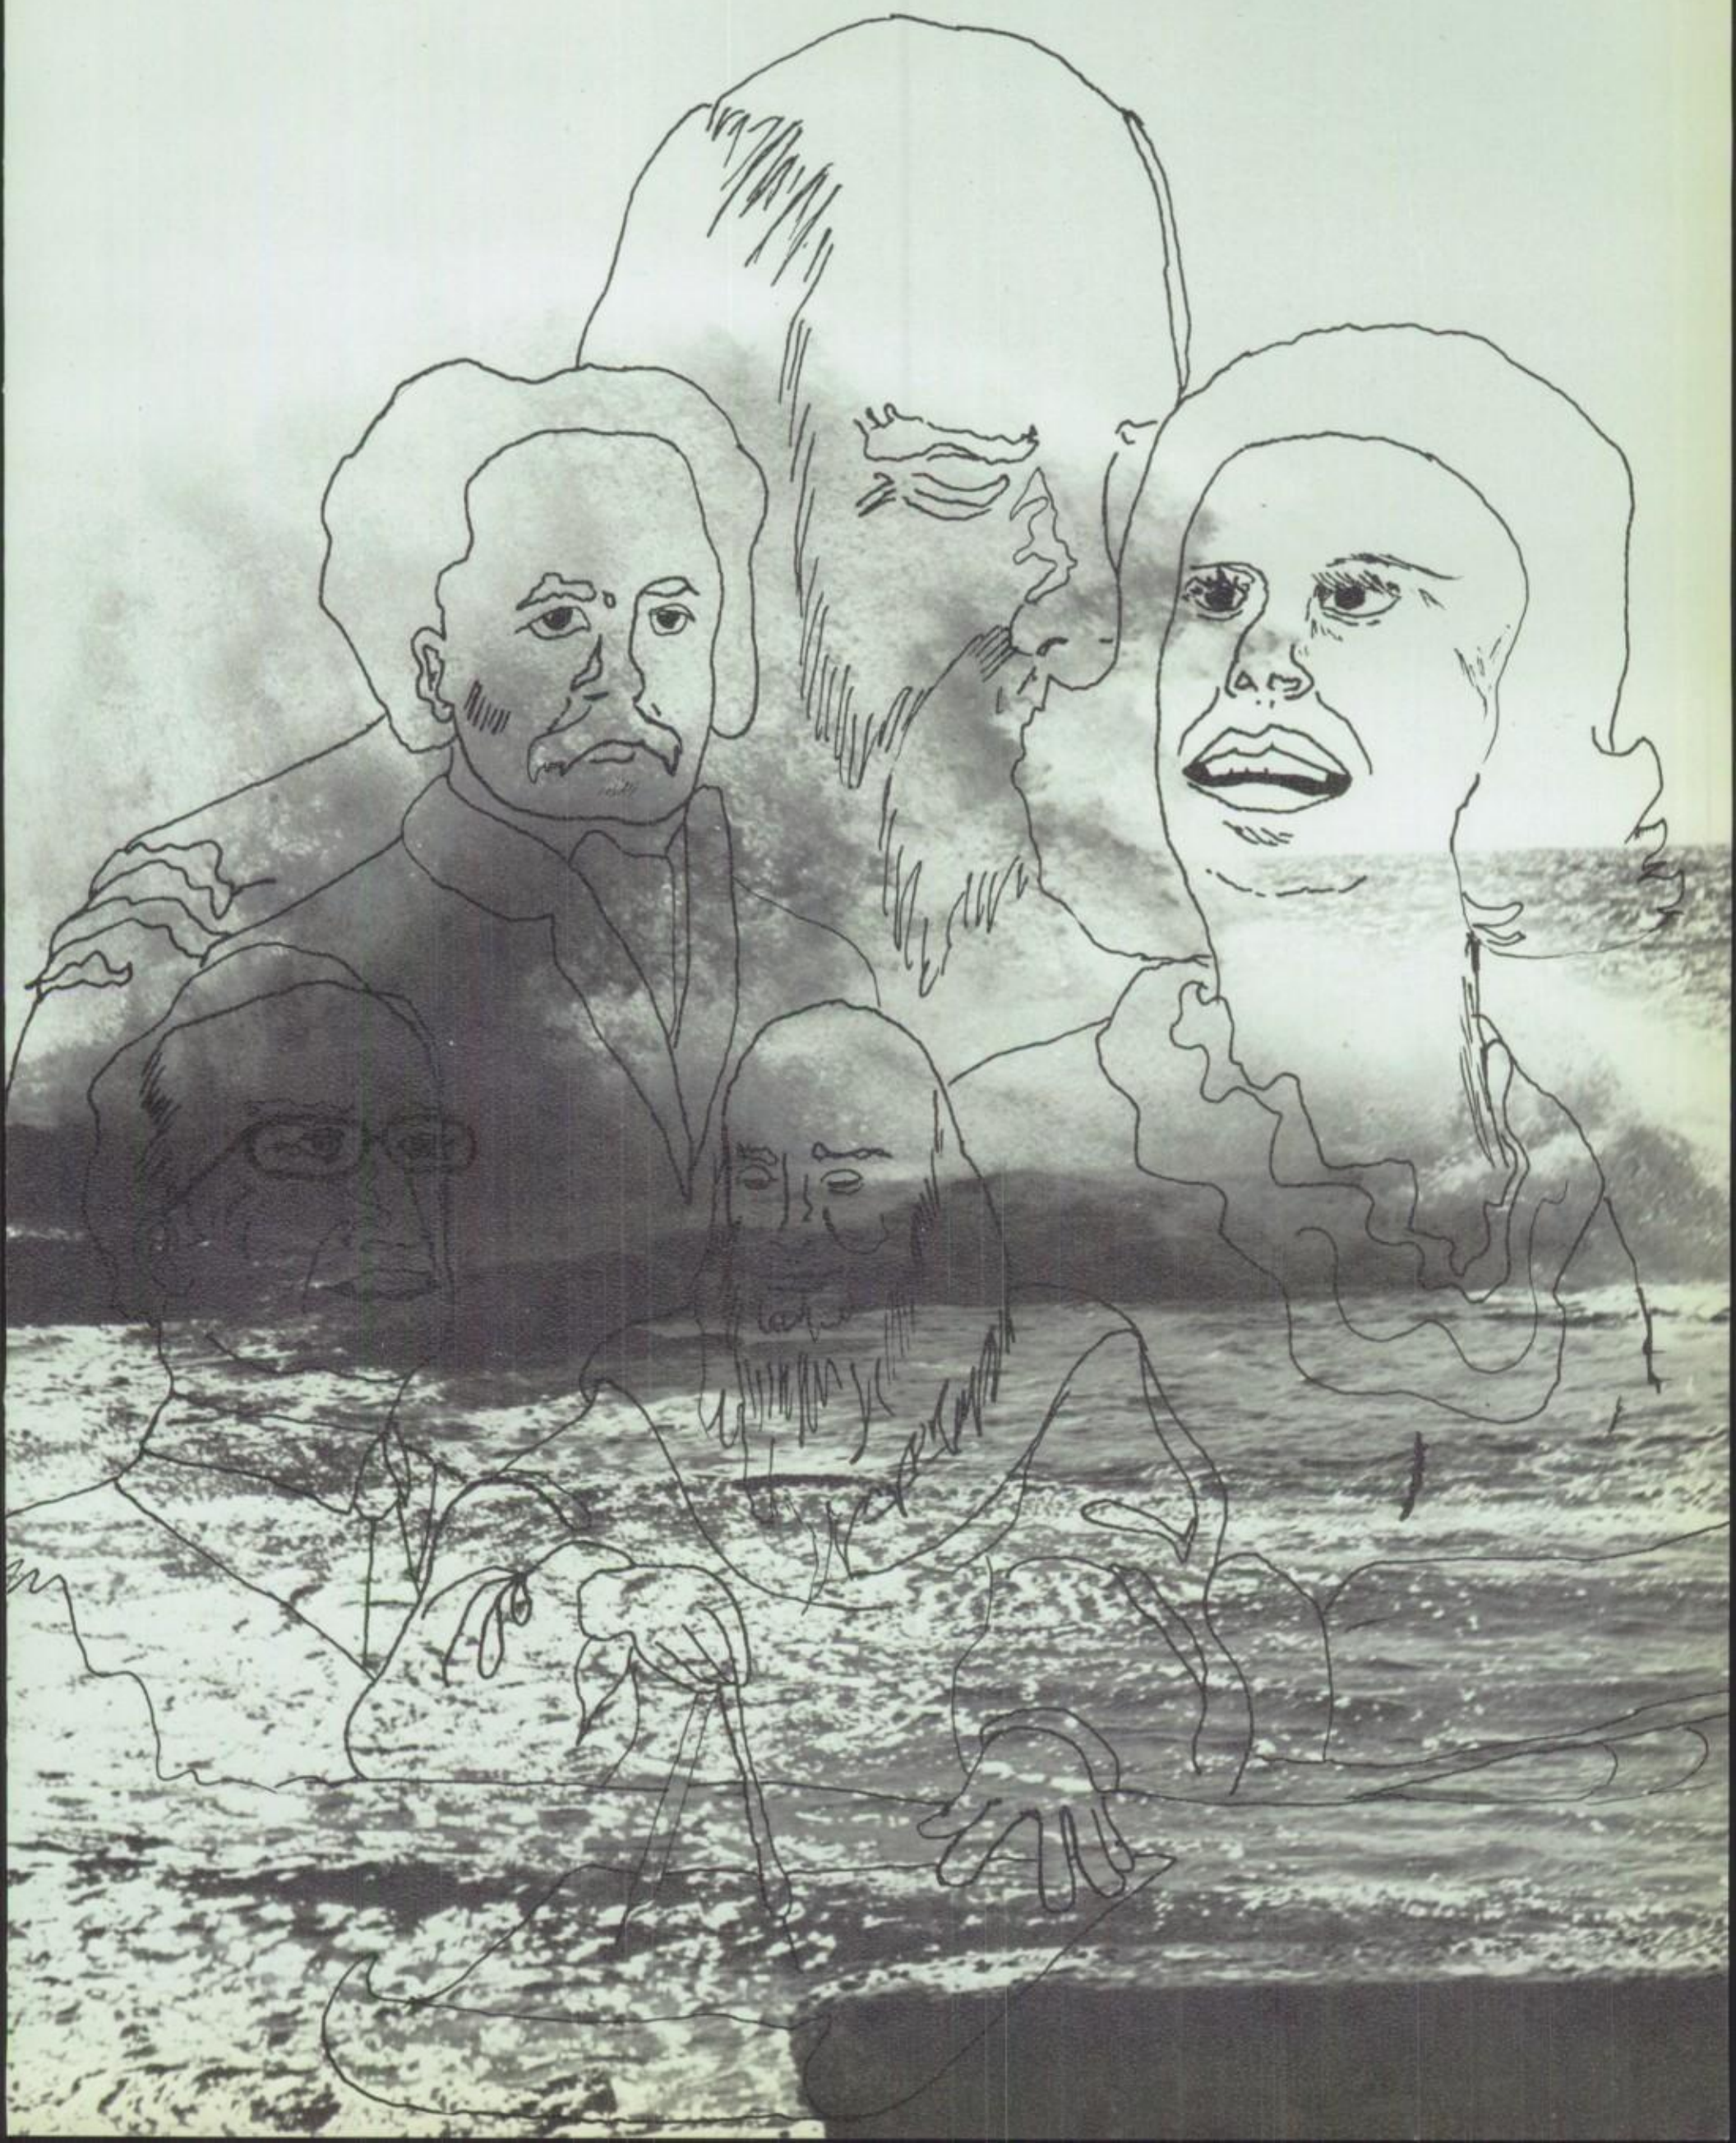
FACULTY



During my inaugural year as principal of San Pedro High School, I have appreciated the spirit, dedication, concern for others, and excellence in academics and activities that have marked the maturation of students into the adults of tomorrow.

It has been a privilege to watch the senior class, the Ke-Alians, wear their class colors with pride and purpose as they set a precedent for new traditions.

These young adults comprise the "Wave of the Future," a relentless social force which will strive unceasingly to emulate the accomplishments of past generations. Some of them will decide to enroll at institutions of higher learning where they may gain the necessary knowledge to contribute to the betterment of humanity. Others will choose to enter the mainstream of society directly upon graduation where they will help mold the backbone of American industry.

I would urge each senior to seize eagerly whatever opportunities lie in front of him or her. I hope that San Pedro High School has prepared each for the role he or she will play in life.

I am confident about the success of the "Wave of the Future" in later years. Their example will serve as an archetype for classes yet to come.

David H. Carter, Principal

Louis "Ted" Reichardt, Registrar

Mrs. Barbara Flynn, Head Counselor

Some may be under the impression that the principal merely operates the school and the vice principals' sole purpose is to maintain discipline. Under the new system adopted at SPHS, the administration is a whit more complex.

The principal does run the school, and the assistant principals (not vice principals) do keep order. But there are many other duties involved.

The Principal is in charge of all the basic educational processes and takes care of all personnel matters and community affairs. Under his authority, the four assistant principals each handle a specific division of responsibility. Mr. Harold Clark, Auxiliary Services; Mrs. Barbara Flynn, Guidance and Counseling; Miss June Robathan, Student Activities; and Mr. Ted Reichardt, Pupil Services.

Miss June Robathan

Mr. Harold Clark

Miss Sarah LeVan

Mr. Arnold O'Connor

Bad eyesight has caused Hans Fuhrmann, mathematics department chairman at SPHS, to retire after 35 ½ years of teaching.

Mr. Fuhrmann, educated at Cal Tech, UCLA, and USC, taught in Colton, California, and at El Camino College in addition to his work at San Pedro.

Describing himself as "quite married", Mr. Fuhrmann plans to spend part of his retirement enjoying his hobbies, which include swimming, tennis, chess and writing.

"I became a teacher because I enjoyed mathematics and felt I would like teaching it," Mr. Fuhrmann said. "I had some very fine teachers and some very poor ones----both types inspired me to try to do a good job of teaching."

According to Mr. Fuhrmann, his first year at Cal Tech was the most memorable in his life. "I was excited at having been accepted," he said. "I lived on campus. I met many interesting fellows, did crazy things and felt tremendously challenged."

Born in Boston, Massachusetts, although educated at Los Angeles High School, Mr. Fuhrmann grew up with two sisters, both of whom live locally. He has one daughter, who is also a teacher, in San Jose, California.

Mr. Fuhrmann lives in Manhattan Beach, and, although he doesn't own any pets, he has quite a few by proxy. He said: "My property is used as a public restroom by numerous dogs and cats. The cats also use it as a forum for conducting musicales and other activities intrinsic to the nature of cats."

The most memorable moments for a teacher are "when students who have been graduated for several years come back and tell me how much they learned in my class," said Miss Louise Sullivan, home economics teacher who retires this year.

Miss Sullivan, who received her BS from UCLA and her MS from USC, plans to devote some of her leisure time to bridge, swimming, traveling, the theatre and music, just some of her many interests.

Interest in home economics is seeing an upsurge, according to Miss Sullivan.

"There seems to be more interest in home economics now by young people. Skills that at one time were a practical necessity now have become art forms. Young people are proud of the things that they make," she said.

"Young people feel that the products express individuality. Young men show more interest in home economics. They want to learn to cook and sew. They beam with pride after making bread. High School students express interest in crafts, consumer education, nutrition, clothing design and construction," she concluded.

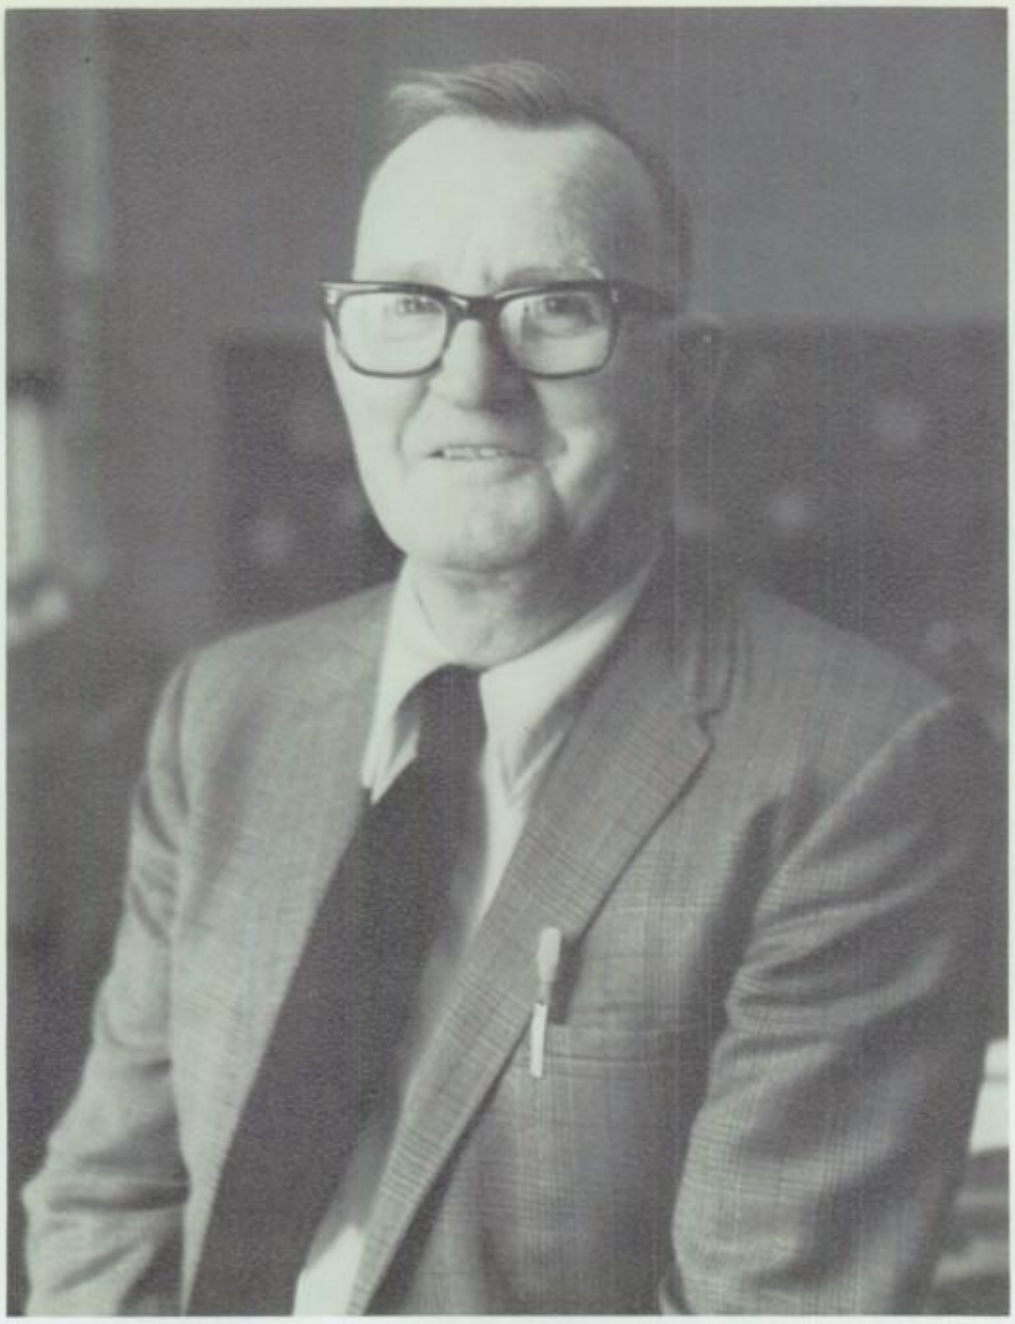
After 33 years of teaching, 20 of those years at San Pedro High School, Mrs. Hilja Smythe plans to retire this spring.

Mrs. Smythe, educated in science at the University of California at Berkeley (where she received her Master's Degree) is a science teacher with a humanist approach. She thinks the students are the most important part of teaching.

Teaching was Mrs. Smythe's first love. When she was five years old, she would play school in her backyard, herself as teacher, the rest of the children as students.

But she developed other interests. Business and travel now form her major interests. Both travel and business help her fulfill her major goal of meeting and communicating with people.

Before coming to SPHS, Mrs. Smythe taught in San Francisco, Redondo Beach and in Torrance.



Mr. Lawrence McBride retires this year after 26 years of teaching business classes at San Pedro High School.

From 1949 to 1951 and from 1961 to 1970, Mr. McBride coached SPHS's Tennis Tean, winning it's League Championship in 1962, 1963, 1964, 1966, 1969, and 1970.

Music, reading, and of course tennis will take up some of Mr. McBride's time in retirement, which he will spend with his wife, daughter, and his one pet, which he describes as a "masterful cat."

Born in Waterford, Massachusetts, he went to College at the University of North Carolina and at the University of Southern California.

A resident of San Pedro, he is a member of the Community Concert Association and the Beachcombers Club.

Mrs. Pauline Lyons, English Chairperson

"Students today have great awareness and social consciousness. The freedoms of today's society place an even greater responsibility on the individual and he must be prepared to meet the challenge of a changing world," said Mrs. Pauline Lyons, who retires this year after 30 years as an educator.

Mrs. Lyons has taught since 1937, with only one seven year break, and includes Jordan High School, Bret Harte Jr. High, Samuel Gompers Jr. High, John Burroughs Jr. High, and Los Angeles High School among the schools at which she has taught.

The theatre, music, reading and travel are included among Mrs. Lyons many interests. She is a graduate of UCLA, where she received her Bachelor's degree. USC granted her a Master's degree.

Mrs. Lyons says her goal in teaching was "to provide an opportunity for students to realize that language arts, communication skills, and all forms of literature and critical thinking are basic needs of society, and that an eagerness for life long learning is an integral part of the English program."

"English teaching now stresses relevancy, thought analysis, and critical thinking to a greater degree than ever before, especially since we live in a mass-media oriented world today," she said.

Mrs. Molly Wirtshafter

The San Pedro High School Tutor Service under the leadership of Mrs. Molly Wirtshafter finished its second year of community involvement with 35 students offering their services to all 12 of San Pedro's elementary schools.

Each of the student-tutors volunteered his or her help to serve the community while receiving 5 units of high school credit. The program, under the guidance of the SPHS Counselors, helps elementary school students who need extra attention, and also aids Community Adult School students to whom English is a second language.

PULSING, POUNDING AGAINST THE ROCKS, THE WAVE IS CONTINUALLY TRANSFORMING THE SHORE. SO IT IS WITH YOUTH CONSTANTLY EXTIRPATING ANTIQUATED IDEAS AND ICONS IN ITS EFFORTS TO SEND CIVILIZATION CAREENING TOWARDS DAZZLING HEIGHTS.

It's been fun having a fellow Canadian sitting across from me. I'll see you again next year in German II hopefully. Until then remember sein and haben in Perfektum, in-vert when a sentence starts with any word besides the subject, And don't forget your modals. Have a fun summer bird-watching in Bugtussle Tennessee.

I've really had a lot of fun with Mr. Stanley this year. I'll be looking forward to having him again next year. Have a fun summer bird watching in Tennessee.

Don't forget your modals!

while thinking of
th saky the question ames
up of "what to say". one would
be tempted to say he was a cool
guy but that seems to corny. Ster
you might think of something to saky
that would be very memorable. But that
would not be right since it would be most
unfortunate if your mother ever read this ect.

So, I guess I'd better leave had
got times together and I hope
we do some more. Take it easy in the 12th
grade and good luck on your trip thes
summer. See ya around.
